CITY TO CROSS '38TH PARALLEL'

SECOND RENT HEARING SLATED

Landlords, Tenants
Asked To Attend
May 8 Meeting

On again, off again... that's the story of rent controls in Daly City.

March 26, upon the request of some 25 landlords the city council passed a resolution lifting the ceiling on rents. There were no protests from tenants.

The resolution was then sent to the Federal Housing Expediter for final approval. A few days later the city received the resolution back... it wasn't legal as it hadn't been published 10 days before the public hearing.

Rent controls still stick in Daly City. However, hurdling this legal technicality, the council will hold another public hearing on rent controls at a special meeting in the city hall at 8 p.m., May 8. It is expected then that a second resolution will be passed lifting the controls.

All landlords and tenants interested in rent ceilings are asked to be present at the May 8 meeting.

Parents Awarded Medal For Son

The Purple Heart, one of the United States' most distinguished medals, was awarded to Mr. and Mrs. J. J. Smith, 117 Gambette Street, for their son, Pvt. Shelly J. Smith, who was wounded near Wonju, Korea, January 8.

While a patient at a hospital in Japan, Smith, a member of Company "C", 28th Infantry Regiment, 2nd Infantry Division, was visited by his brother, Sergeant Robert W. Smith, who is on duty in Korea.

Robert has informed his parents that he now wears another cluster on his Purple Heart for wounds he received in Korea. He was awarded the Purple Heart for wounds received in action during World War II when he was a member of the 32 Infantry Division in the Pacific.

Robert has returned to Korea and has been in action North of Seoul. Shelly has been released from the hospital and will be on temporary duty in Japan for 30 days. If his physical condition permits, he then will return to Korea for duty.

Time Change Clocks Moved Up An Hour Sunday

Beginning this Sunday, April 29, Daly City, as all California, will meet the morning one hour earlier.

On that date daylight saving time goes into effect. At 1 a.m. all clocks will be set ahead one hour. The extra hour will stick around until late September when normal time will be restored.

Farmers Dislike It
Farmers don't like daylight saving time and they have good reasons for their feeling. Regardless of what the clock says, morning dew doesn't dry until the sun reaches a certain elevation in the sky. Because of this and many other dislocations of farm chores, farmers object.

But daylight saving is favored by millions of urban residents. It enables them to relax and enjoy themselves in sunlight after work; dig in their postage-stamp gardens, play ball or golf in the parks and engage in many other pastimes from which lack of time or light usually bars them. In this respect, daylight saving follows the code of "the greatest good for the greatest number."

As population in urban centers continues to increase and on farms to decrease, it seems certain that daylight saving will become more strongly entrenched, and extended. Already summer daylight saving time is almost commonplace throughout the whole United States.

Scores of countries around the world have daylight saving, too. Many of them have double "summer time;" they set their clocks two hours ahead. California farmers perhaps can take consolation from this fact: they don't have to stand around two hours waiting for the dew to dry.

Just A Possum Looking For Home

Possum just naturally seem to take a liking to Daly City.

Some six months ago this paper reported a possum who had found a home here. Now this week, following in his brother's footsteps, another possum arrived in Daly City.

COUNCIL OPPOSED TO COURT SETUP

Plans Would Eliminate
Lower Courts Here

Following their regular meeting Monday evening, the council went on record as opposed to the San Mateo County Bar Association's new court plan.

Mayor Paul Green said the councilmen had authorized him to send written protest to the county board of supervisors.

Under the plan, three municipal courts would be created for the county. There would be one court for the northern district. This, in effect, would eliminate the inferior courts for the Daly City, South San Francisco area.

In a "Letter to the Editor" last week Thomas Bocci, First Township judge, noted that the northern county is rapidly growing, and that the new plan does not provide for this growth. This general feeling was sounded by the city council.

Forgotten
"This area has been a forgotten section for some time, and our residents have been inconvenienced." (Continued on Page 2)

County May Have No May Draft Call

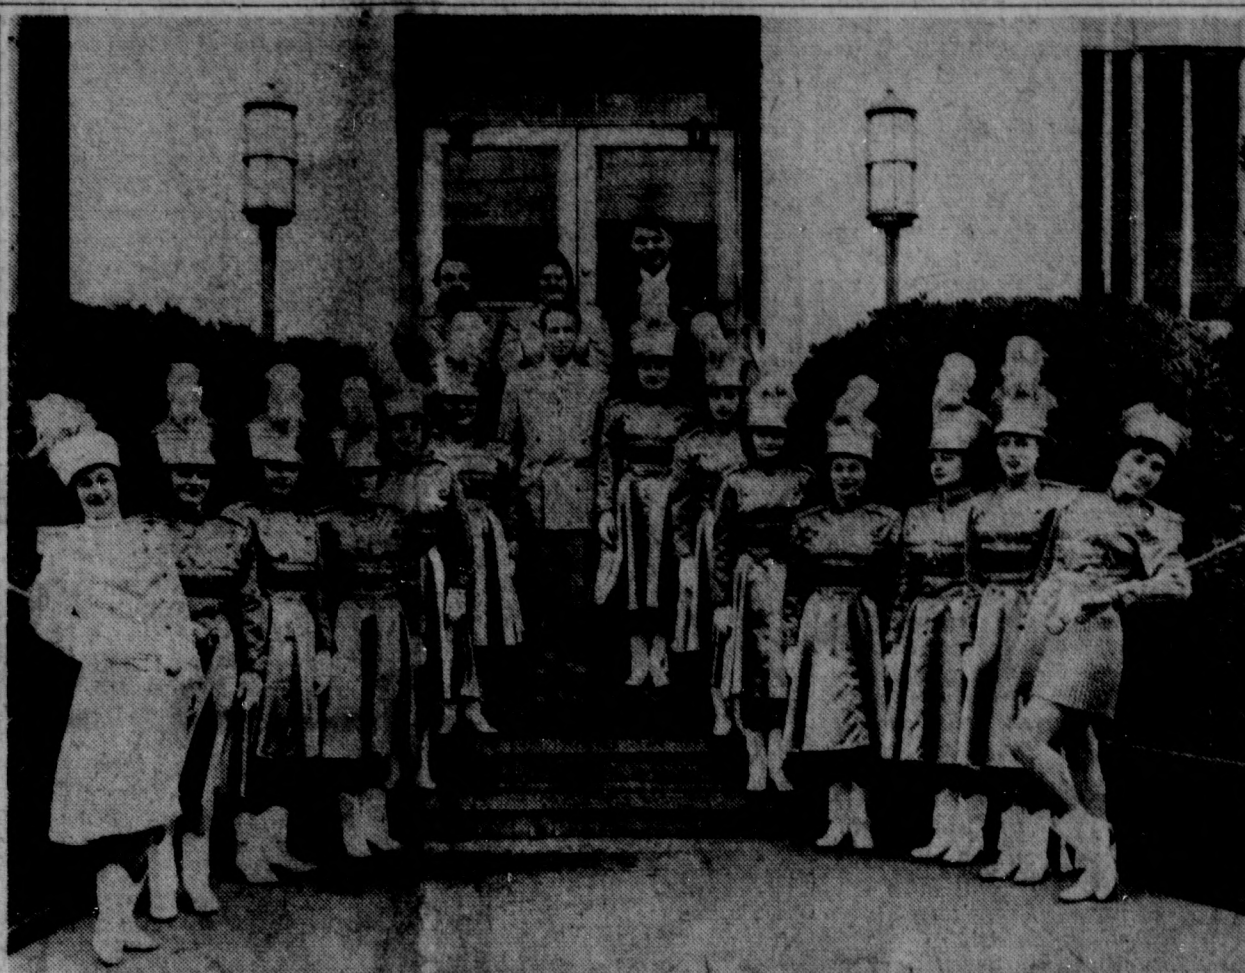

Because it has received no word from Washington designating the May induction call, the county selective service board believes there is a chance that it will have no call-ups next month.

Originally California had a statewide May quota of 3736 but it was reduced to 2,152 when the Army slashed the national call from 60,000 to 40,000 last Thursday.

On that basis, San Mateo county's quota, if any, would not amount to more than 21 or 22, two-thirds of the April call of 37 that left last Friday for Fort Ord. If any are called they will probably be in the 20-year-old group, or those nearly 20. For the most part, nineteen year-olds will not be called up in May.

Under present selective service regulations the nation's manpower pool will be exhausted by June or July, the county board believes.

College and high school students who have been deferred until the end of the current academic year, however, may be called up during the summer.

CITY ADMINISTRATOR DAN ANDERSEN and prominent Daly City business men give their approval of Daly City's newest band. The girls, representing Colma Vita Grande Auxiliary No. 1848, FOE, will appear in the Spring Festival parade May 6. They are, left to right: Mesdames: Rosalyn E. Adams, drill team captain; Dolly Davison, Brita Morris, Lorene Gardner, Marge Kennedy, Elaine Wright, Donna Almquist, June Leone, Wilam Riley, Dorothy Carrington, Ellen De Bano, Audren Blankenhorn and Drill Team Majorette Miss Dorothy Langensand. School Bond Issue Second High School Needed If Students Not To Suffer For Lack Of Proper Space

Another high school must be built for the greater Daly City-Coastal area before 1953, or some 500 students will be without school facilities.

This was brought out at a meeting of school officials and interested citizens last Friday evening. The conclave was called to lay plans for the \$1,300,000 school bond issue to be voted on by the public May 18.

Peter Markovich, chairman of the Jefferson School board, noted the enrollment at Jefferson will be almost doubled by 1954. Presently there are 950 students attending the high school which was built only to handle 900.

"It is simply a matter of growth," Markovich told the group. "There can be no question in anyone's mind that a new high school, and a site for a third high school on the coast, is as much needed as food and water for man."

"Without enlarged facilities the teen-agers of the Jefferson High School District will 'starve' for lack of educational facilities."

Big District
Stanford Hannah, school superintendent, pointed out that Jefferson High School presently serves Daly City, Bayshore, Brisbane, Broadmoor, Westlake, Sharp Park, Rockaway Beach and Pedro Valley... all growing communities.

The meeting closed with the appointment of various committees whose job it will be to "bring home" the facts to every citizen in this area.

The various committees, and their members include:
Executive Committee: Charles Becker, Tom Jenkins, Bob McKay, Les McGeein, Guy Kitson, Howard Richardson.

Publicity Committee: Mel Hansen, Bill Katz, Mrs. Eleanor Meitz, James L. Snell, Mrs. Marie Sorensen, Mrs. Jane Keith.
Speakers Committee: Mrs. Anna N. Eason, Mr. Peter Markovich, Mrs. Mildred McGeein, John Morgan, Walter Rector, Mrs. John C. Wiesner.

Get Out Vote: Mrs. Mary Jane Drury, Dr. George Gibson, Claude Hanrahan, Thomas Jenkins, Raymond T. Whitney.

Endorsement: Peter Markovich. Finance: Dan Anderson, Peter Markovich, Claude Hanrahan.

Spring Festival PTA Booths To Be Festive

The PTA women selling hot dogs, soft drinks and candy during Daly City's "Spring Festival" May 6 will have a chance to be "festive" instead of "feverish" about their booths this year thanks to the efforts of Tom Callan Sr., the Daly City Lion's Club and the Elementary school's wood shop.

Callan has enthusiastically agreed to donate all necessary lumber for the six, 10 ft. sq. booths each of which will also have an 8 ft. top framework with molding for easier decoration. Callan is reversing a usual process by following in the footsteps of son Michael Carter, who last year donated the flooring for the Edgewood Civic Association float!

James Snell, school superintendent, has offered the elementary wood shop and its resources for cutting the sections.

The Daly City Lion's Club has promised to take over from there with rolled up sleeves and hammers and nails. The ladies, they say, will be able to take up where they leave off by 10:30 Festival morning!

Dan Anderson, city administrator and parade chairman, who started the "booth" ball rolling with his suggestion of prizes for the concessions... (a cup as first prize, ribbons for runners up)... regretted that the city could go no further—"Much as we love (Continued on Page 2)

Colma Reaches Red Cross Quota

Colma and Sharp Park have made their quotas in the 1951 Red Cross fund drive.

Mrs. Margaret Pauline Brown, under whose leadership the Colma campaign was carried on, and Mrs. Mabel Lometti, who directed the Sharp Park drive, both expressed their thanks and appreciation to the many workers in their communities who helped to make the attainment of their goals possible.

Meanwhile, with the local Red Cross drive still some \$30,000 short of its goal, members of the recently organized county-wide "chain gang" are busy with numerous projects to raise \$10 each, to aid the bogged-down campaign.

Plans are under way by many of the "links in the chain" for plant sales, private pool swim sessions, canasta luncheons, cocktail

Lawyers Set Up Second Plan Of Attack

SPRING FESTIVAL SLATED MAY 6

Giant Parade, Pageant Plans Almost Complete

One of the finest extravaganzas ever presented in Daly City will take place on Sunday, May 6th, as thousands take part in a parade and pageant.

The parade will begin at 12:30 p.m. from the county line, and proceed down Mission Street to Market. From there, it will proceed to the Jefferson High School Field where the units will be reviewed by the judges. The three judges are leading men in the newspaper business—Jack Rosenbaum of the San Francisco News, Dean Jennings of the Call-Bulletin and Barney Glick of the Burlingame Advance. Mr. Rosenbaum and Mr. Jennings are among San Francisco's most widely-read columnists, and Mr. Glick is a reporter for the north county section, of which Daly City is the leading city.

This Fourth Annual Festival event will be larger and more interesting than any ever presented. Over 10,000 persons are expected to witness the fête.

The May Queen will be regally crowned and seated on her throne with her attendants at the opening of the festivities at the field. Participants are registering for the parade from near and far, and will make this event one to be long remembered by all fortunate enough to witness this spectacle.

and canape parties and many other original "stunts."

Within less than a week, nearly 40 pledge cards were returned to the Chapter house in Burlingame. Some have already sent in the \$10 but many others have sent only the pledge, planning to raise the money some time within the next few months.

Mrs. Egbert M. Stoddell of Daly City is the only one, so far, to send in a pledge.

Daly City's little "38th Parallel" may soon be crossed via a battery of lawyers and legal red tape.

The "parallel," better known as Ocean Shore Railroad right-of-way through Westlake, has cut the eastern and western sections of the area almost completely in half. In order to build homes in the western sector, Henry Doelger has been forced to move around the 60 foot wide strip of land over the Alemany Extension.

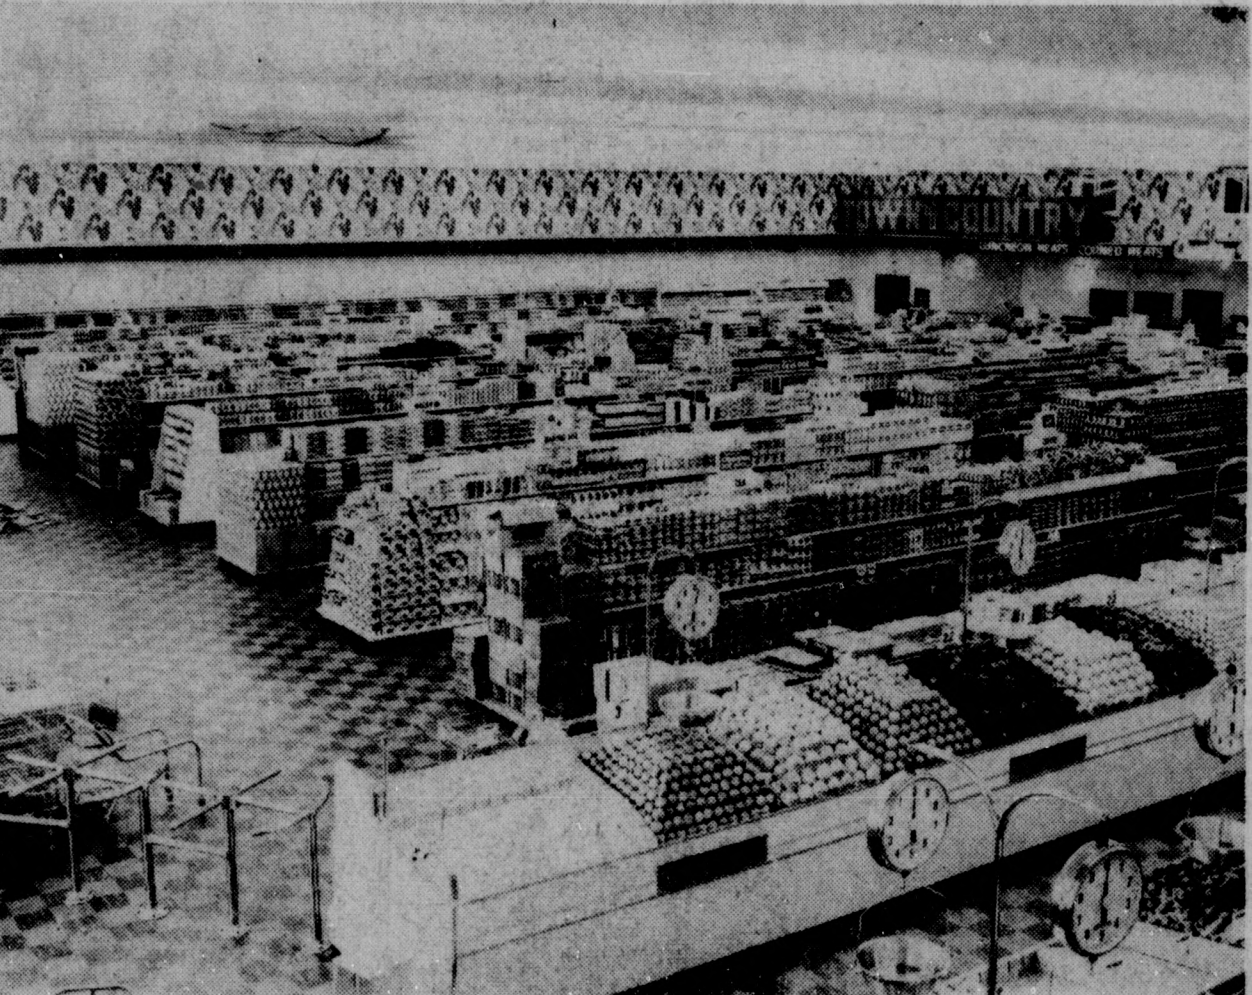

A few months ago the city council met the challenge by declaring the necessity of putting down a road the full length and breadth of the strip. This would have made it possible for Doelger, or any citizen to cross the "parallel," without the need of a "passport" from the Ocean Shore Railroad. However, upon the advice of the legal chiefs of staff, this plan was scuttled.

New Plan
Monday evening the new battle plan was unveiled. Under the supervision of the legal firm of Kirkbride and Wilson, the city will attack the strip at two points, instead of along the whole front as earlier planned.

The two vital points are South Mayfair and South Gate. Declaring eminent domain proceedings, the city will extend these two streets over the strip. This will give Doelger a passage into the western section of Westlake.

There was only one weak counter-attack by the Ocean Shore Railroad... at least at this time. (The city fully expects the Railroad, under the leadership of Attorney Gardner Johnson, will wage a full scale fight to prevent the crossing, at some future date, in the San Mateo County Superior Court.) The counter move was in the form of a letter from the Railroad's Vice-President, George Middleton.

Strong Objection
"I strongly object to the city's plan," Middleton wrote in part. He said the railroad will "vigorously defend" its alleged right-of-way, as the two crossing will damage. (Continued on Page 2)

DEAR PARENTS

By Jane Keith

Malcolm's "Potty chair" went to the Goodwill Industries this morning and the sight of it being hoisted into the big blue truck made me feel a little sad as I closed the garage doors and glanced around the basement.

The mattress with the spot in the middle and the play pen with the teeth marks all around it had been loaned out long ago, as had the bottles and sterilizer, the half box of pabulum—the half can of Dextri-Maltose, large size! A second glance around proved that the "Potty" had indeed been the last of the Mohicans and that instead of a baby in the house—there was a BOY.

"April, May, June—" I counted the months to Kindergarten—The telephone rang and rang! "This is your Hooper survey," soothed a syrupy, profession voice. "Could you tell me what brand of baby food your child eats?"

"I beg your pardon?" I gasped, still out of breath.

"This is your Hooper survey," the voice comes right back, "Could you tell me the brand of baby food you feed your child?"

"I don't—I mean, he doesn't," I replied, coming back to the present all of a sudden. "He's almost five years old and he eats everything and anything! You must have the wrong number."

"Thank you, Madam," the voice says, softly—and hangs up.

"July, August, September," mut-

tered my mind, taking up where it had been interrupted. "My gosh, he'll be in High School before I know it! How time does fly!" And by the time the mailman came, my hair was white and my daughter-in-law was giving me a bad time . . . some days are like that. . .

Pete Markovitch snapped me out of it with his form letter asking for help on the High School Bond Issue which will be put before the voters on May 18th, 1951! My morning's nostalgia over "baby" days and my mooning over problems with a future daughter-in-law reminded me suddenly of an old time recipe for rabbit stew which starts out thusly. "FIRST, catch your rabbit!" From Pete's letter, I realized that here was my chance to "Catch my boy's High School!"

I had been relaxing after the Bond drive for the Elementary Schools with a feeling, not thinking, "That's taken care of, now!" Just one look at Jefferson Union High and a thought of the tremendous school population it will have to serve by 1953 has changed that sentence to "The High School situation will have to be taken care of NOW!"

Unless this Bond Issue is successful, the Elementary School "TAIL" will be wagging the High School "DOG" by 1953 . . . and we parents will have no one to blame but ourselves.

Nursery School Broadmoor Village Cooperative School Now Being Organized

The Village Cooperative Nursery School now being organized by Broadmoor Village parents with the aid of Mrs. Stanley Sugarman, president of the San Francisco Council of Cooperative Nursery Schools, and Mrs. Clyde Mason, counselor for new groups in the San Francisco Cooperative Nurseries, will hold its next meeting on Wednesday, May 2nd, at 8 P.M. at 863 Thornhill Drive, Broadmoor Village.

This will be the first cooperative school established immediately outside of San Francisco city limits, and will endeavor to serve the adjoining residential communities of Westlake, Colma and Daly City as well as Broadmoor.

Children from two and a half years to kindergarten age will be eligible for admission into the cooperative. The goal of such a nursery school is not to be a substitute for a home; but a supplement to the home. It is a place

where young children learn how to get along with others of the same age, a place designed especially to allow children to be as noisy, as active, as creative as they wish. The director of the school will be an accredited teacher with a degree in nursery school education, and she will be assisted by the cooperating mothers who will have an orientation course prior to beginning their duties in the nursery school.

Several locations are being considered for the school but it is a consensus of opinion that it should be in the Broadmoor area in order to best serve the surrounding neighborhood. There are a limited number of membership openings and those parents interested in reserving places for their children are invited to attend this next meeting. Those requiring further information may phone Mrs. M. Beckerman at PLaza 5-4573.

Bayshore Elects New PTA Officers

The new officers of Bayshore School PTA were installed at the monthly meeting on April 13, 1951.

A candle lighting ceremony was performed by the 10 elected officers. Five white candles were lit to represent the five objects of the PTA. One tall red candle represented Honorary Life Membership. Mrs. Garnet Robertson was honored with a Life Membership in the California Congress of Parent and Teacher.

Mrs. E. M. Foley, 17th District parliamentarian, followed with her installation ceremony of the following officers: Mrs. C. Perkowski, president; Mrs. N. Murphy, vice president; Miss D. Fitzgerald, honorary vice president; Mrs. B. Kleinworth, recording secretary; Mrs. G. Van Horn, corresponding secretary; Mrs. M. Torvich, financial secretary; Mrs. V. Stull, treasurer; Mrs. Bernard, historian; Mrs. Wise, auditor; and Mrs. M. Painchaud, parliamentarian.

Council Opposed To Count Setup

(Continued from Page 1)

ed in having to proceed to Redwood City to file cases," the city council objection states.

"It seems to us," the objection continues "that there should be a judicial setup close to the law enforcement agencies in the north end."

Meanwhile, Tuesday the grand jury went on record in favor of the three court, four judge plan. This will create on court for the county north of San Mateo and two courts south of that city.

Counter Measure
This is counter to the city council's wishes, as well as the wishes of the state judicial council. The state body has gone on record in favor of two courts, with the southern limits of San Mateo as the boundary, and that there be two judges in the northern district and one in the southern.

The final decision is up to the board of supervisors. This decision is expected before next Tuesday.

City May Cross "38th Parallel"

age the strip for "railroad purposes."

At this point it was noted that while the Ocean Shore Railroad asserts it is still in business, that neither train nor track has been seen along the road bed for the past 20 years.

Second Push

The city's second big push will come later this month in Superior Court when the lawyers test the legality of the eminent domain proceedings to cross the strip.

Meanwhile, the question of whether Doelger or the Ocean Shore Railroad still owns the strip of land across Westlake must still be settled.

Other business before the council Monday evening included:

Hearing

1. A hearing on the proposed zoning of a portion of Westlake for R-3 (apartment houses). John Kilvay, 5 Windsor Drive, and several of his neighbors objected to the apartments. They asserted the buildings will lower the value of their land and obstruct their views. A representative of Westlake, Emil Raffetto, said this was not the case. The city council closed the hearing, but agreed to meet with both parties at a special meeting this Monday evening at 8 p.m.

2. Clarence Schmidt was re-named by the council for another three year term on the Civil Service Board of Review.

3. A \$1,402 payment to Frank W. Smith for resurfacing Lincoln Park was held up until the job is satisfactory to the council. However, three other payments were approved: Charles I. Cunningham, \$855 for Edgewood Park; water main; Fay Improvement, \$455 for paving Marchbanks Park.

4. May 14 was set as the date of hearing on the proposed rezoning of the \$75 Homestead property south of School Street on Junipero Serra boulevard. The proposed new zoning will be C-1.

PTA Booths To Be Festive

(Continued from Page 1)

"The city has a budget and it's my job to see we keep within it. This year's Festival money has gone for the purchase of a permanent, steel framed and portable stage which can be used for recreational as well as Festival needs."

No one could have a deeper understanding of Mr. Andersen's stand than hard working PTA'ers who have to make money, to make a budget and then balance it to boot!

Past "May Days" have seen the PTAs hunting up their own lumber and labor for the erection of their booths—a chore which left them scant time or energy for decorating—even if prizes had been offered them for doing it.

Those days are gone. May Day has become "Spring Festival" and with such civic and civic-minded cooperation and helpfulness in evidence the printed boast "Bigger and Better" will become an actuality!

Just A Possum Looking For Home

(Continued from Page 1)

made himself right at home on the back porch of Mrs. Graber, 867 Brunswick Street. He even went so far as to eat the food put out for Mrs. Graber's cat.

At this point the Daly City woman called for police. Enough was enough; and besides she had no idea what the possum might really be.

Putting on his Frank Buck helmet, Officer Charles Munday went out to bring the animal back alive. With aid of a persuasive voice and a large bag, "Frank Buck" Munday whisked the possum off of Mrs. Graber's back porch.

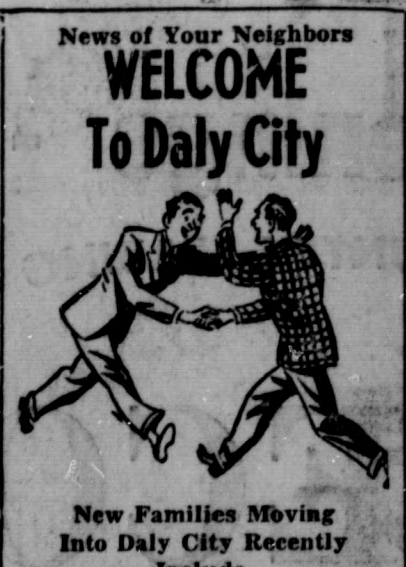

But that doesn't end the story. Munday wants to know what he is going to do with a possum.

Anyone interested in a pet (or a wonderful southern cooked meal of opossum) is asked to contact Munday at Juniper 5-7518.

"I only hope someone takes him as a pet," Munday said today. "It would be mighty inhuman if a Daly City tourist ended up in a pot."

DRIVING AT A SAFE PACE

Knowing that you should drive at a safe pace is one thing. Knowing what that pace should be, according to the National Automobile Club, is often quite another. Since road and traffic conditions vary greatly and frequently make severe tests of a driver's judgment, the wise driver will always play it safe by underestimating the speed at which he should drive. He will stay on the slow side and keep himself safe.

Court St. Mary Festival Proves Huge Success

With the many preparations that go into making a successful affair, the ladies of Court St. Mary can well be proud of their enterprise.

Thank you go to those who worked, contributed, and came for an evening of fun and entertainment.

The hall and booths were beautifully decorated in a spring theme with bright splashes of spring flowers.

Entertainment of the evening was as follows: welcome by Grand Regent Mrs. R. J. Ennis after which she turned over the program to Mrs. Arthur M. Heyden, chairman of the affair, who entertained the entertainment; accordion duet by Ernie Lantz and Arthur Heyden; tap dance by Gladys Landings; solo duet by Mrs. A. Landings and Mrs. R. J. Ennis to accordion accompaniment; folk dancing by Evelyn Weckerle, Dorothy Carrington, Clara Scally, and Ann Ryan.

Piano solo by Jerome Ennis; a variety puppet show by Tony Urbano and Scotty Rickman, under the direction of the Bonnie Carroll Dance Studio; Song of India solo dance by Miss Jean Kelly of the Jean Kelly Dance Studio; Quartet number sung by Mrs. R. J. Ennis, Mrs. Arthur Heyden, Mrs. Milton Weckerle and Mrs. Mary Marciano; and a solo with guitar accompaniment by Bob Moore.

Following the entertainment refreshments were served. The main raffish of the evening was won by Mrs. Ann Drury.

Thief Takes One Way Street

A 19-year-old Amarillo, Texas youth who allegedly stole a car from 15 Crocker Avenue Saturday morning took a one way street right into jail one hour later.

John R. Russell drove the car to Broadmoor where he assertedly took time out to rifle several cars. An early morning newsboy, Ronald Poston, 1520 Sweetwood Drive, spotted Russell "at work" and called police.

Sgt. Rico Benedetti, John Van Otten and David Johnstone arrived in time to see Russell driving away. They headed off his car, and forced him down a blind street. Russell abandoned the stolen machine but was caught by Officer Van Otten as he stumbled through a cabbage patch.

Russell, who police assert has admitted stealing the car, will be up for a preliminary hearing in Daly City police court at 2 p.m. Friday, April 27. He is charged with auto theft.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUNiper 4-6449

Bayshore stunt of the month: Some of the ladies in Bayshore sat down and made a quilt that they plan to raffie for the benefit of the American Cancer Society. They built a frame to set on top of a car, so that the quilt could be shown when the tickets were sold door to door.

While the quilt was being made, they took all manner of precautions to see that it wasn't soiled. Last Monday, amid much struggle, they firmly attached the quilt to the frame and tied it securely to the roof of a car. Very proud of their efforts, they drove slowly over to Schwerin and Partridge, where some half dozen ladies were out on the street to get a first view of the masterpiece. Blowing the horn to announce the great event, they grandly swept to the curb and stopped, only to be greeted with "where's the quilt?" Now these gals could take a rib too, so they sat and grinned. Finally, one of them stepped from the car and looked up. Nervous prostration set in. The quilt was gone! Vanished!

After three of four attempts to start the car without turning on the ignition, they finally managed to turn the car around and retrace their route. In the middle of the street at Martin and Schwerin, the quilt laid in a forlorn heap. Leaping from the car, they swept the quilt into a lump and threw it into the car. Visioning all sorts of new designs on the face of the thing, they finally calmed down enough to examine it. No car tracks, oil marks, or grime were evident.

Kicked Around

There is a saying that's been kicking around for some time, that all's well that ends well. That may be true, but when things like this happen to you, what effect does it have on the nervous system?

The Bayshore Fire Dept Ladies Auxiliary have a telephone whist last Friday evening, for the benefit of the American Cancer Society, and it was a huge success. The check that will go in will be written for \$106.70. The whist was held in four homes, and the hostesses were Dot King, Dot Scatena, Betty Frank, Dot Haines, Mrs. Eric Carysle, and Viola Beckel. Ham, Beer, and a box of groceries were raffied, and won by Mary Molinaro, Tony Beckel, and Johny Armas respectively. The first card prize of \$5.00 was won by Mrs. Quinn.

The topic Sunday morning at the Baptist Church will be "Self Examination." The Sunday evening topic will be "What Next?" And here comes another election. Our Water Board will elect one member next Tuesday, May 1. The two candidates running for office are Vince Morris, the incumbent, and Jim Mills. Both men are local residents, and have long interested themselves in community affairs.

Election

The election will be held in the auditorium of the Voters League Hall, at 125 Acacia, and the polls will be open from 7 a.m. to 7 p.m. The ladies that were chosen to work on the election board are Rose Wright, Mrs. Percival, Ann Beckman, and Mrs. G. Anderson.

Has anyone lost a red wagon? Reverend Widenham, at 204 Acacia, is in possession of a rubber tired red wagon and would very much like to return same to its rightful owner.

The Bayshore Elementary School had open house last Thursday, in observance of Public School Week. The band and choral group, under the direction of Miss Santillano, entertained parents in the auditorium with a forty-five minute program, and parents visited classrooms to see the work being done by their own children, and activities in all classes.

Cub Scouts

The Cub Scouts collected four tons of paper in Bayshore last week, which is a pretty good showing for the small fry.

The Cubs are also very busy preparing for the Scout O Rama to be held May 4 and 5 at the Cow Palace. They will march in the Costumes that are being made ready for the minstrel show they are going to give later in May at the Bayshore School. These little kids are really something in their

outfits, and the Boy Scouts, too, are a nifty looking bunch in bow ties and trails. Don't miss that show.

The Girl Scouts of Troop 42 are going on a hike May 5. They will go to the zoo, taking a picnic lunch and making a day of it. They also have big plans afoot for a radio program in the near future, and also a dinner at one of the North Beach Restaurants.

There will be an Improvement Club meeting this evening, Friday, April 27 at the Sanitation Hall, at Geneva and Schwerin. All are invited, and refreshments will be served.

Another item or two on the Cancer Drive. The puppet show for the school youngsters, Friday afternoon in the School Auditorium. That's Friday, April 27. The quilt will be raffied on Saturday afternoon at 2:30, at the Leta May Shop, next to Scat's store, on Geneva Ave. Come on down and see the drawing.

Civil Defense Battle Looms For Appropriation

Sacramento, April 26. (CNS)—A battle in the legislature over State Civilian Defense loomed today with the filing of the report of a special senate committee.

The committee, headed by Senator George Hatfield, Merced County, recommends that any appropriation for civilian defense, other than to maintain administrative functions of the State Civilian Defense organization, be deferred until congress takes action on a program.

Governor Earl Warren has recommended that the legislature appropriate from \$10,000,000 to \$15,000,000 for assignment to communities and counties.

Hatfield and the governor are not at variance in the amount of money recommended. The Hatfield report states "not more than \$12,000,000 should be appropriated" when congress acts.

The Hatfield report was written after his committee held hearings in all sections of the state, obtaining views of local officials on civilian defense.

His report concludes that assistance should be given to all local governments on all items of local expenditures to which the federal government may contribute on a matching basis.

Stock-piling of medical supplies, mobile support units, communications, police and fire training, mutual aid pacts, education of the public, program for evacuation and other defense measures were recommended, but it was specifically stated no public funds should be expended for bomb shelter construction at this time.

Food Store Owners Must File Prices

Owners and operators of public eating places and retail stores selling food products must file price statements with the Office of Price Stabilization before the end of this month, Homer F. Potter, District Director, warned today.

Failure to file price statements will seriously cripple the Government's price control program, he said.

Grocers, delicatessens, and all other types of stores selling food products have until April 28 to file their statements with the District Office at 1417 Clay Street, Oakland. The deadline was set in Ceiling Price Regulation Nos. 15 and 16 which cover the sale of retail food products.

Restaurants, taverns, hotels serving food in dining rooms and rooms, and all other types of public eating establishments, including guest houses and hot dog stands, must have their statements in the District Office by April 30. The date was prescribed by Ceiling Price Regulation No. 11 which covers public eating places.

NEW ARRIVALS

To the wife of William M. Wright, 243 Miriam Street, April 17, a son.

To the wife of Leslie I. Daniel, 38 Wilshire Avenue, April 15, a son.

To the wife of Richard S. Phillips, 40 Forest Grove Drive, April 13, a daughter.

CARE SAVES TIME

Careless walking or driving may result in a serious accident which would take weeks or months out of your life. As the California State Automobile Association warns, walking or driving, remain alert.

ACCELERATION

Fuel can be saved and tire and engine life prolonged by avoiding unnecessarily rapid acceleration, suggests the California State Automobile Association. Always accelerate your car gradually in order to take full advantage of its power.

TALK OF THE TOWN

By DIANE DALY

Probably by accident, Safety Week and Public School Week have been the order of the past week, with parades of demolished cars on the one hand, and "Open House" in all our schools on the other.

These two themes might seem paradoxical, but I see in them a synonymous link that might be interpreted as "We Love Our Children—PLEASE Drive Carefully." A trip to the Public Schools will prove to you that children are being taught to be GOOD pedestrians. They cross the street with their eyes, and pay attention to the signals.

A great many adult motorists could stand to be taught a parallel course of study. So many innocent children are the victims in automobile crashes, it behooves every motorist to take honest stock of his driving ability, drive by the rules and take no chances. Driving too fast or too slow are the extremes which cause so many wrecks and loss of life. . . . Even if the child is spared, he may suffer the loss of his parents. . . . In the name of childhood . . . Drive Carefully!

SPRING FESTIVAL: Converted into a veritable Spring fairland was the Masonic Hall which was the setting for the Festival, put on by Court St. Mary's (CDA) recently. Various booths were maintained, and flowers, dolls, cakes, and hand-made articles were sold. The entertainment, arranged for by Mrs. Arthur Heyden, proved to be very enjoyable, and the variety of numbers well received.

BIRDS EYE VIEW: Those popular young men around town, Dan Dolan, Dan Andersen and Frank Lombardi surrounded by a bevy of drill team members from Eagles Aux. being photographed on the steps of the City Hall, by Myra. . . .

GUEST: The initiation held by Court Junipero Serra No. 20 (CDA) in San Mateo last week was attended by district deputy Elizabeth Weststein, who is also organizer for the local Court St. Mary's, No. 1155.

WHITE SAILS IN THE SUNSET: Thousands of thrilled spectators watched the magnificent display last Sunday, when upwards of three hundred sailboats and an equal number of motor boats, sloops, and yachts turned out for the yearly "Parade" sponsored by the Pacific Inter-Club Yacht Association. All the way from the Golden Gate to the Army Docks, and crossroads to Belvedere, the nautical procession, driven by brisk winds and a flooding tide, filled the bay in a riot of waving sails and gleaming hulls. It was indeed a breathtaking spectacle, with the sun shining on the bobbing white sails, with their bright trims, of red and blue, forming a sharp contrast to the Mediterranean blue of the Bay.

Leviathan of the entire fleet, was Henry Doelgers new motor cruiser, the "Westlake," all eighty feet of her a symphony of streamlined craftsmanship. Aboard were Mr. and Mrs. Henry Doelger, with son Michael and daughter Susan, Mr. and Mrs. John Doelger, with Joyce and John Jr., Mr. and Mrs. Fred Rianda, Mr. and Mrs. Herman Hogre and Mr. and Mrs. Harold Belasco.

Also outstanding was the Windward, mahogany-hulled giant sloop, which was skipped by owner Cyril R. Tobin of San Mateo. Enjoying the jaunt was Mrs. Tobin and guests, Mr. and Mrs. Lester Stone and Mr. and Mrs. Mervyn O'Neill.

Early this week, the "Westlake" sailed for Acapulco, skippered by Captain Owens, for a stag fishing trip. Henry Doelgers' guests on the trip are: Frank McCann, Herman Hogre, L. Mazzera and George Wahl. First mate duties were to be handled by Richard Mathews. At least one of these fishermen should be a match for the big fish that abound in the waters off Acapulco — Bon Voyage!

ACCIDENTS: Mr. Joe Firpo, assistant cashier of our local Bank of America, was quite seriously injured in an automobile accident recently, and is recuperating in St. Mary's Hospital.

In a freak accident, Miss Elizabeth Wettstein fell recently, injuring her kneecap and spraining her ankle. Two week's hospitalization were required but she is convalescing nicely now. Elizabeth is the daughter of Mrs. Fred J. Wettstein, formerly of Daly City and still active in CDA circles.

Nursing painful burns of face and hands was Mr. Wm. St. Clair, 187 Wilson St. Attempting to investigate a leaky furnace, it exploded and sent Mr. St. Clair, who was at the time recovering from a heart attack, to the hospital. He is reportedly getting along fine now.

Bob Heintzle, who was reported to be the "ten-year-old" finder of a tin can containing a detonator fuse, last week, was down having his physical for the National Guard, pending assignment with the 718th Div. which proves him an authentic double-ten plus five. He is the son of Mr. and Mrs. Frank Heintzle Sr., 60 Mateo Street, and when he brought the innocent looking (Tomato paste sized) can into his mother's kitchen, she took one look at the Japanese characters inscribed on the outside and cried, "Take it out of here!"

Bob, who is not a Guardsman for nothing did just that, and it was opened casually by an officer at Police H.Q. It was only after the demolition expert reported it as being live, the white-faced officer realized how close he came to making a serious mistake. . . . Quite understandably, Mrs. Heintzle worried until her son returned.

SURPRISE: Friends of Alberta Diebel gathered at the home of Mrs. W. J. Almqvist, 543 San Diego, to fete her on her birthday. Wednesday night. The surprised recipient received some lovely gifts and a candle-topped cake was the "peice de resistance." The exact number of candles was not disclosed.

P.T.A. PROSPECTUS: Woodrow Wilson P.T.A. observed their Installation recently with Mrs. Clydeann Carruthers taking over the gavel as the new prexy. In spite of Mac Arthurs arrival, scheduled for the same evening, the meeting was well attended and a really delightful program was put on by children in Mexican theme, which featured singing dancing and tableaux.

HERE 'N THERE: Mrs. Henry Adams, outgoing prexy, receiving plaudits from SO many, dressed in an attractive navy-blue suit with crisp white pique trim. . . . Husband Henry cautiously handling the lovely punchbowl set, a gift to the retiring first lady.

Looking very lovely, in all white wool ensemble was Crocker Past President, Mrs. Carl Berg. . . . An ovation for little Ellen Chun Fat and Lynne Attebury, who sang a duet, followed by a clever dance by the versatile Ellen. . . . Overheard recounting his special recipe for Cornish Pasties, was "Chef" James Snell, (an expert I am told). . . . Nurses Ann Versey and Jayne Pollard dissecting "behaviour patterns" and comparing notes on Measles. . . . English War brides Mrs. Nevis Mohrman and Mrs. Wm. Brunette among the new officers. . . . One of the "Principal" figures, Mrs. Ethel Hahn charming in a jaunty red topper trimmed with black fur. . . . happily accepting a photograph gifted by the P.T.A. . . . Serving luscious home-made cake was Mrs. Otis Simonson, in navy blue taffeta, assisted by Mrs. William Berardi and the hospitable Mrs. Ausano. . . . Mrs. Forest Cunningham and Mrs. Charles Kiehl talking of the anticipated return of Mr. Cunningham (Navy). . . . Spring flowers in profusion everywhere, and corsages by the gross.

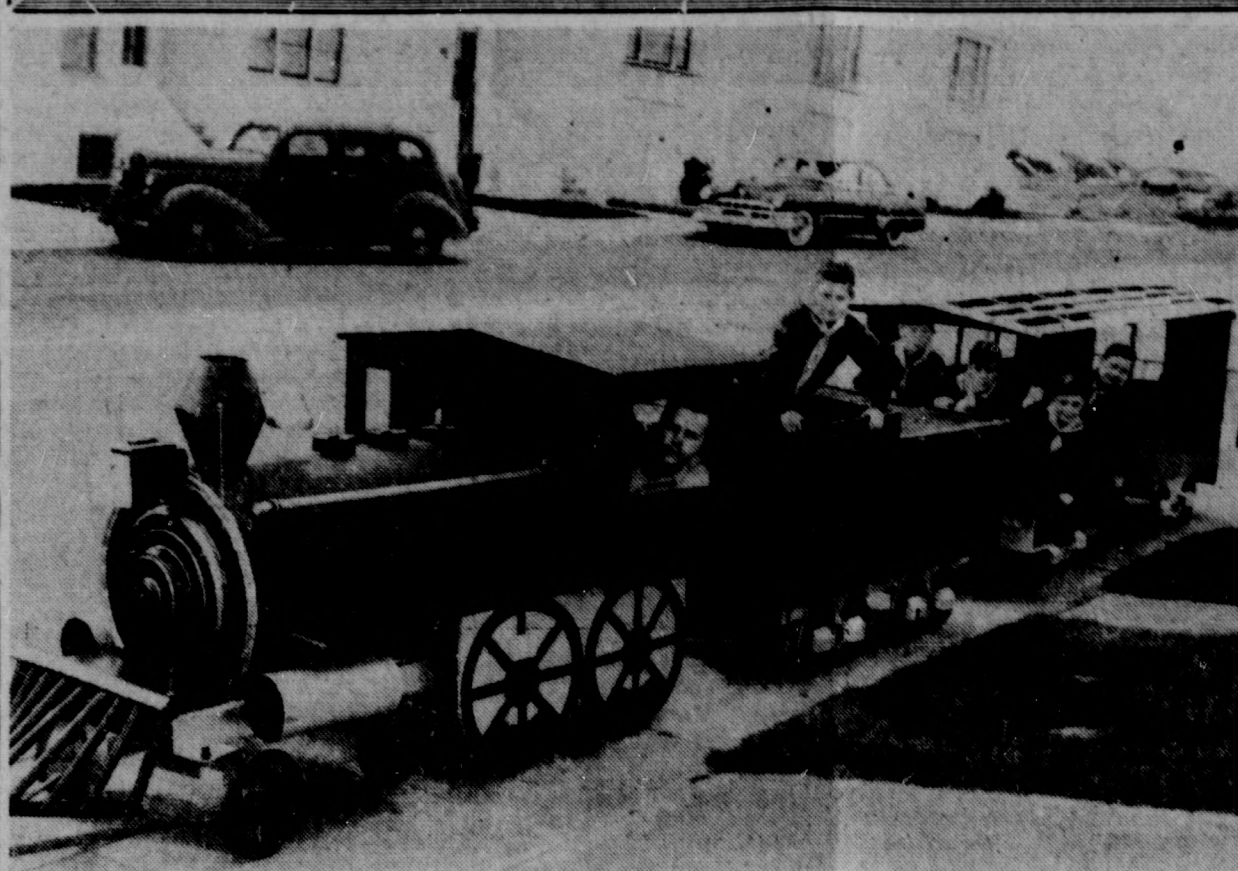

LADIES NIGHT: The Annual Peace Officers Dinner Dance which took place at the Peninsula Golf and Country Club last Saturday, raked up another superlative affair, with some two hundred and fifty guests enjoying a tasty dinner, served on candlelit tables, and dancing to the music of Verne Vincent and his orchestra. . . . Also noted were. . . . Gardena corsages for ALL the ladies. . . . Chief Winsom of Hillsborough conducting ceremonies. . . . He in turn being presented with the traditional GOLD star. . . . Localities. . . . Sgt. Roland Petrocchi and his pretty wife Gloria with the Beeches, Thelma and Roy. Mr. and Mrs. Dave Johnstone and Mr. and Mrs. Ed. Heim greeting the Henry Sundermanns. . . . Jack and Alice Walsh whirling on the dance floor. . . . Officer Charles Munday toasting his attractive dinner partner, his wife, Lorraine.

DRUID DOINGS: District Deputy Grace Hill, 52 Acton St. who is also Treasurer for Californi (U.A.O. Druids) travelled to Burlingame last week, accompanied by members of the Druids Degree team, Hillcrest Circle. There as guests of the Peninsula Circle they put on initiation rites and shared in welcoming the honor guest, Grand Arch Druidess Marie Frances of Oakland.

Winding up her term as Grand Arch Druidess of Hillcrest Circle, Eleanor Cameron was in charge of the Whist which was held so successfully Tuesday night. Many lovely prizes were awarded, and a set of sheets and cases, raffled, were won by lucky Minnie Bernhardt, 173 W. Moltke St.

WITH A LOAD OF FULL "STEAM" and Cubs, this engine will "roar" into the 1950 Scout-O-Rama at the Cow Palace May 4 and 5. This is a replica of an old steam engine that carried a load of famous passengers to the scene of the "Driving Of The Golden Spike" . . . the historic ceremony which symbolized the completion of the first transcontinental railroad in 1869. The Cubs of Pack 63, Lake Merced District, will dramatize the event at the Scout-O-Rama. Cubmaster Michael Cubie, who built the model train, is at the controls. The Cubs include: left to right: Steven Hansen, Steven Lyons, Maurice Bradshaw, Don Cubie and Bob Davies.

More Money Voted For Vets
APRIL 26. (CNS)—The Assembly today passed an Assembly constitutional amendment which would place on the 1952 ballot a proposal to issue and sell \$150,000,000 in bonds to be used to purchase farms and homes for veterans.

Assemblyman Richard H. McCollister, Marin and Sonoma counties, told the Assembly the present fund will be exhausted by March, 1952, for veterans are borrowing at the rate of \$4,000,000 per month. The last bond issue was for \$100,000, but a larger issue is requested that time because of the great increase in applications for loans, McCollister said.

ler and Mission Circle, is rumored to be having "growing pains," on account of legal procedure involving an artful architect, (the first) who is not happy about having his plans junked.

WHAT'S IN A NAME: Evidently quite a lot, with residents of adjacent Ocean View, in an uproar over a published suggestion that the Richmond District be called the same thing. Friends and former neighbors of Jack Rosenbaum, in whose column the letter was printed have been deluging him with mail, and telling him he ought to know better. Jack has had to send out for the giant economical size of aspirins, poor boy! Al Speers, local bachelor, points out that 1. Ocean View residents really "view" the Ocean, 2. Seniority since the turn of the century, 3. Hey! Who's argument is this. Let me out.

LYONS DEN: Celebrating their third Birthday, members of F.O.E. Aux. 1848, some two hundred and fifty strong, gathered to enjoy a festive dinner, which was held at Lyons Restaurant in South San Francisco April 17th. No business or ceremonies was the order of the evening with the possible exception of the cutting of the lovely tiered cake, which was ably performed by President Lorene Gardner, with Mother of the Aux. Mrs. Arly Black scoring an assist. Much hilarity and chit-chat followed the revealing of "Secret Pals," and new ones were drawn for the coming year. Lynne Boskey was in charge of Dinner arrangements. Earlier in the day, a Luncheon-Whist was also held for the Birthday occasion in the Eagles Hall. Many beautiful prizes were awarded winning participants.

CALENDAR CHECK FOR TODAY:

American Legion Ladies will have some mighty appetizing cakes casseroles and bigger and better things to eat, at their sale in Sproule Reitz store from Nine till Five today. Here's a chance to get some Home cooking! . . . Tomorrow night, Saturday, a "Pot Luck" dinner will get underway, and a special invitation is extended to all veterans and their wives to attend and get acquainted. Locale is American Legion Hall, 474 San Diego, and don't forget your favorite dish.

Engaged Couple Honored At Shower
Miss Eleanor Salogga and her fiancé Richard Gamba were honored at a miscellaneous bridal shower given by Mr. and Mrs. Charles Lasher at their home in San Francisco Saturday evening, April 21.

The rumpus room was decorated for the occasion with ivy and white flowers. A large wishing well was the highlight of the evening from which the young bride-to-be received her beautiful gifts. A buffet supper was held at midnight. Those attending the shower were Messrs. and Mesdames George Lasher, Elliott Thompson, Richard Hughes, Constant Leonard, Ray Gamba, Wesley Lasher, Louis Gamba, Mrs. Evelyn Hughes, Misses Cora, Barbara, Darlene Lasher, Carolyn Salogga, Janice Gamba, Michael Thompson and Al Salogga.

12 New Members In Colma Vista Grande
Twelve members were initiated into Colma Vista Grande Auxiliary, F.O.E., in April by Madam President Lorene Gardner.

Initiated were Euronie Lane, Dorothy Sievers, Caroline Waller, Hattie Weigle, Lucille Herrero, Elizabeth Joseph, Souina Casogrande, Nellie Perri, Armanda Bertucelli, Wilma Smith, Anita De Villier and Dorothy Kanihan.

The following officers were chosen to serve for the fiscal year: Alberta Diebel, madam president; Donna Almqvist, vice president; Dolores Warren, chaplain; Britta Morris, conductress; Frances Nestli, secretary; Marjery Lynch, treasurer; Audrey Blankehorn, inside guard; Elaine Wright, outside guard; and Elrie Summers, senior trustee. Clara Scally and Mary Vobsril are serving unexpired terms as trustees.

Retiring Madam President Lorene Gardner will serve as junior past president. Delegates to attend the convention in Santa Barbara June 22-24 will be Lorene Gardner, Alberta Diebel and Frances Nestli. Edrie Summers and Dolores Warren are alternates.

The auxiliary held Past Presidents night April 12, and Junior Past President Dolly Lewkowicz was presented with her Past President pin. Dorothy Johnson and Dora Black also were honored. All were presented with corsages and charter member pins.

Entertainment was provided by William Kerr, singer in a North Beach night spot, who was accompanied by Greta Owens. Songs were "Rose of Tralee" and "Mighty Lak a Rose."

F.O.E. Drill Team To Hold Telephone Whist May 1
The members of the F.O.E. Auxiliary drill team will hold their telephone whist at 8:30 p.m. May 1.

First prize will be \$5. The whist will be open to the public. Anyone interested in attending may call any of the following hostesses: Mrs. Marge Kennedy, chairman, PL 5-4413; Donna Almqvist, PL 5-0820; Wilma Riley, PL 5-3083; Ednah Mona, DE 4-1294; Eileen De Bano, VA 6-4119; June Leone, JU 8-2791; and Irene Rosenberg, JU 4-4771.

Colma PTA Head Names Committees
On Tuesday April 17, at the executive board meeting, Mrs. John C. Wiesner, president, appointed her committees. Recommendations were worked on to be brought before the general meeting.

The general meeting will be Tuesday, May 8, at 1:30 p.m. at the Colma Community Center. The teachers and the new officers will be honored at a tea which will follow a business meeting. Mrs. John Wiesner, president, will give the report she will bring back from the state convention in San Diego.

The plans for the May Day Festival for the PTA booth have been in the making, and the committee have been chosen. The budget and finance committee has been appointed. Mrs. William Chessman, treasurer as chairman; Mrs. Edward J. Dennis, Mrs. John C. Wiesner, Mrs. Alan F. Mori, Mrs. Jack Clayton.

On April 19, Mrs. John Wiesner, president; Mrs. George Bertucci, Secretary; Mrs. Jordan Hopper, parliamentarian; attended the district installation of officers at Ravenswood School in East Palo Alto. Mrs. Edward Dennis and Mrs. Jordan Hopper have been honored with places on the district committee.

We have all looked forward to the coming week. It is Public School Week. Our principals and teachers have been working with our children the past year, and are showing their work which is the result of the years' efforts. They are asking the parents to come, meet them and to talk over their work.

Supporters Laud Van Der Werff
With the election for school trustee approaching a climax on Friday, May 18, support for incumbent Andrew Van Der Werff is rapidly gaining headway.

Supporters of Van Der Werff pointed out that of the candidates running for trustee of the Jefferson Elementary School District, he is the only one who has had actual school board experience, and that he has consistently stood for policies leading to improved school facilities and an extended educational program.

Van Der Werff has served five years on the Jefferson Elementary School Board and during that time has seen the school population double. To take care of this increase three building projects have been completed. One completely new building, Westlake, is under construction and scheduled for completion in the fall of this year, and four additional projects are under planning.

Van Der Werff supporters state that all of this construction has been planned and carried out during Van Der Werff's term in office.

Daly City Man Stationed Now At Yokosuka, Japan
Robert E. Thompson, son of Mrs. Marie Robinson of 246 Los Banos Avenue, is stationed with the Sixth Army in Yokosuka, Japan. In a recent letter Thompson said he would like to hear from his friends in Daly City. His address is: Robert E. Thompson, E.M. 3, 6th Division, U.S.S. Ajax Car-6, C/o F.P.O., San Francisco, Calif.

Garden Club Meets Tuesday

The monthly meeting of the Garden Club will be held Tuesday evening, May 1st, at the downstairs Recreation room of the Grace Presbyterian Church, at Crocker and Winchester Streets.

The men have taken over the refreshment duties, and a nice program is being arranged. Members are reminded that the Redwood City Women's Club will have their Flower Fantasy of May 10th this year, and the welcome mat is out for the Daly City Garden Club to participate, or merely to be their guests.

For further information call Lois Hansen at L. 5-2616.

Woodrow Wilson PTA Installs New Officers

The Tuesday night installation of the Woodrow Wilson PTA won out over General MacArthur with a jam-packed crowd of parents and teachers attending the two hour meeting.

There was a warmth and "easiness" in that crowd: a congeniality without "caginess" that told, better than words could ever tell, just how fine a job Woodrow's 1950 PTA's had done. Let me try to describe that meeting to you out of that same feeling. I missed the business meeting, but found a seat just in time to see Mrs. Ausano, hospitality chairman, present exquisite corsages to all of the outgoing officers.

This was followed by the installation of new officers by Mrs. G. Sirex, district president, who gave each new officer a National PTA membership pin and an individual rhyme (written by herself) which explained their job for the coming year.

Mrs. Clydeann Carruthers, incoming president, accepted a huge bunch of red roses from Mrs. Henry Adams with thanks and a promise to do her best. From the eager look on the faces of Mrs. Carruthers and her officers—that promise will be more than kept!

Special Gifts
Special gifts for the evening were as follows: A cut glass punch bowl and cups for Mrs. Adams plus an engraved silver compact from her officers. A gift, unseen by men, to Mrs. Sirex—beautifully wrapped. A portable, three speed record player with records to be selected later by the teachers, was accepted for the school by Mrs. Ethel Hahn, principal.

Highlight of the program was the play given by Mrs. Randolph's 4th graders as an outgrowth of the class work on a Mexican unit of study. Colorful costumes, red spotlight and music were wonderful aids to the play, but it was most evident that the many hours spent in comprehensive and careful rehearsal were what made it a "performance."

Not all of this rehearsal took place at school if the "lip moving" of Mrs. Attebury as she watched her son Lynn give his speech his speech is any proof—and Mr. and Mrs. Vincent Moran looked suspiciously calm when their "Toreador" son, Richard, was goaded by a small but vicious bull bull.

Finale of the play provided a surprise in the person of "Randy," who is twenty months old and blond, danced a one minute, impromptu fandango in the midst of the children on stage before he was carted off by his mother, Mrs. Randolph.

The meeting was then adjourned and refreshments were served to these words. "What a wonderful meeting!"

Abbott Neighbors Give Baby Shower

The Friendly Neighbors of Abbott Street were busy last week. Jerry Vickers of 153 Abbott Street gave a mop party.

Pat Urbanus and Eleanor Boyle gave a surprise shower for Sally Cambridge Saturday evening, April 21, at 160 Abbott Street. Mrs. Cambridge, who expects the new arrival in June, received many beautiful gifts.

Attending the shower were Wilma Van Aken, Jerry Vickers, Lorraine Dabro, Lillian Cain, Elizabeth Kirby, Doris Olmstead, Mildred Radickoski, Cecilia Kummagai, Stella Siedel, Ann Mac Nealy, and Mrs. Cambridges mother, Mrs. Reagan, and mother-in-law, Mrs. Cambridge.

The husbands spent the evening playing cards at Ray Urbanus' home.

One of the Friendly Neighbors, Diane Gravatt, is in St. Joseph Hospital. Hope she gets well soon.

YOUR DALY CITY GARDEN CLUB NEWS

by Shirl Mollette

We all know this is the month of showers but we have had many beautiful sunny days lately which we have all enjoyed—but don't forget the soil is getting dry so use your watering can and hose when necessary.

This is one of the best months for planting lawns as it is warm enough to encourage fast seed germination also the heavy rains are over by this time so the seeds won't be flooded off the high spots to the lower ones.

Apply commercial fertilizer around flowers about to bloom and this is a good month to use commercial fertilizer on lawns. This is one of the most active months for earwigs, snails, slugs and aphids spray dust and bait for their eradication. Keep garden free of weeds, leaves and grass for this is their living and breeding places.

Continue planting Gladioli. A new control for corn seed maggot and wire worms which cause extensive injury to the Gladioli has been announced by entomologists at the University of California. Excellent results were obtained with 1/2 ounce of 40% wettable Chlordane in 1 qt. of water or 1/16-ounce of 25% lindane in 3 pints of water per 25 sq. ft. spray over corns before covering them when planting. I found corns of different size of the same variety will vary in time

of bloom, so that success can be provided by planting groups of the same size together. Deep planting will produce fewer new corns for next year, but the stalks will stand up better and eliminate rotting. First sow the corns of sprouting handling them carefully.

Much fuchsias instead of cultivating if possible since feeding roots are near the surface. Manure is the best fuchsia fertilizer. . . . Use at this time to promote rapid new growth for this is where the flowers form.

Sow seeds of annuals in flats filled with a mixture of equal parts of screened loam, peat moss and coarse sand. On this seedling mixture, sow any seeds listed—these are summer annuals: ageratum, aster, cosmos, lobelia, marigold, petunia, phlox, summer stock and zinnia.

Take cuttings of Chrysanthemums and carnations, these will generally sprout outside, but propagation in frames will speed up this process and give stronger plants. Subdivide Delphiniums (2-yr. old clumps). Examine for heart rot remove diseased portions, dust with dry sulphur. Fertilize soil before replanting. Divisions in groups two or three feet apart.

So long 'til next time—and good gardening!

Beverly Gregori Goes To Altar At St. Emydius With Richard Hankerson

In impressive nuptial rites, Father Tillman last Sunday united in marriage Beverly Gregori and Richard Hankerson. Their many friends witnessed the noon ceremony which was held at St. Emydius before the altar, candlelit, with bouquets of white stock and gladioli.

For the double ring ceremony, the bride chose a long sleeved white satin redingote, featuring a fitted bodice and graduating into a train, and was worn over a formal length white gown with a deep ruffled hem. Her fingertip length veil was held in place by a pearl tiara and her bouquet was of white orchids and bouvardia. Her father, Mr. Rinaldo Gregori, who gave his daughter in marriage, was attired, as were all the men principals in a formal white dinner jacket.

Preceding the bride were three attendants, wearing beautiful gowns identically styled with bouffant marquette skirts and featuring fitted faille jackets in a deeper tone, which covered the strapless bodice. Maid of Honor duties were carried out by Verna Chelene. Her dress was in pale yellow with a matching headband interlaced with pearls and carried coral gladioli. Following her in the procession, bridesmaids Helen Hankerson was attired in Tangerine and Anita Garcia in Aqua. They both carried contrasting bouquets of gladioli.

Best Man—William Drury was best man, and ushers were John Gregori and Jack Sheehan.

Immediately following the wedding the bridal party attended a Wedding breakfast held at the Cliff House, returning later at the two p.m. reception which took place at the George Washington Hall. Receiving with the new bride and groom, was the bride's mother, Mrs. Rinaldo Gregori, who wore a lovely beige ensemble with mauve accessories for the occasion. The grooms mother, Mrs. Richard Hankerson, wore a very becoming pale blue suit, which affected a capelet at the shoulder line. Both mothers were wearing orchid corsages.

Following their honeymoon in the south the happy young couple will return to Daly City, where they will take up residence in a new studio apartment in Westlake Annex.

How to make good telephone service even better. . .

Your "information operator" is on the job to serve you . . . with numbers not listed in your directory. And smart telephone users call her only when they don't find the number they want in the telephone book.

Why, they say, make two calls when one will do?

Why not keep a list of Long Distance numbers too?
Wonder how many long distance users have discovered that a list of the out-of-town numbers they call can be a mighty handy thing. Saves time, you know, if you place your call by number rather than just by name and address. So, next time you call, why not jot down the number of the person you're calling when your long distance operator reports it to you . . . and start your own long distance number list?

Lots of people spend lots of time designing your telephone set for both beauty and efficiency. Gadgets and attachments only clutter up its clean lines . . . and perhaps impair its efficiency.

DC Sportswomen To Enter Huck Finn Pool Float In Spring Festival Parade

by Mrs. E. K. Whinnan

Undoubtedly the biggest thing at the moment in the Daly City Sportswomen's scheme of things is the coming Spring Festival and the Huck Finn Pool float they will enter in the parade. The enthusiasm for this undertaking by most of the members is most encouraging.

Ideas and suggestions come from most everyone. This is good. Something really fine should come of all this interest, enthusiasm and brain work on the part of the members. Now if they all work as willingly with their hands for the next two weeks to make and decorate the float.

Plan Float

Last meeting was a long and busy one. The Huck Finn Pool float took up most of the time, but many other things were on the agenda too. Emily Brouillette, who had to work and couldn't attend, sent a report on the planned boat trip this summer. The Knox is reported out of service till June for refurbishing. Unanimously the vote was for the Knox with all its services and facilities for making the trip a pleasant one. The minimum trip on the Knox is two and half hours.

Marion McKaskle was appointed delegate to 7th District Council to take the place of Mary Shalowski who resigned some time ago.

OLPH Wins Loop's First Half Title

by Eric Johnson

Our Lady of Perpetual Help's "A" softball team won the first half of the current softball league by defeating the Colma "Reds," 5-4. The losers had the bases filled with two outs, but a long fly ball ended the scoring threat and gave the OLPH team the win.

The winner of the second half, which started this week, will play the OLPH team for the championship. However, if the other teams fail to beat OLPH again this half, the Perpetual Help team will be the city champions.

"Little" Jefferson has had possession of the trophy for some years now and if the Jefferson team expects to keep it in Miss Traynor's office they will have to turn out in full strength for the remainder of the games.

In last Thursday's game the Colma team found a good pitcher in a boy named Ford, now if they can build around him with a few replacements, their team will be a contender for the second round championship. Ford's team led OLPH for three innings and he had a no-hit game until late in the game. Had he had better support that game could have very well gone the other way.

The girls at the Colma school started the softball season with a win over the Jefferson team by the score of 18-10. Colma scored 14 runs in the second inning to cinch their victory over their struggling opponents.

Gloria Vannucci was the winning pitcher in picking up her first win over her former teammates. The losing pitcher was Eileen De Bernardi, who started the big inning for the Colma team.

Colma, in their second game of the season, tied OLPH at 12-12 Monday afternoon at Marchbanks Park. The second inning was again the big one for the Colma girls, this time scoring 6 runs before being put out. The best innings for OLPH was the fourth, in which they scored 5 runs.

All the pitchers did a fine job on the mound with Gloria Vannucci starting the game for Colma and Pat Harrington and Betsy Ross doing most of the work for the Perpetual Help team. All in all the game was very good and everyone left the Park happy.

Carolyn Hornung hit one ball so hard she broke the bat, but the result was a fine triple for the effort.

For the first time the state water pollution people are asking the sports clubs to give them a hand in preventing the pollution of the state's streams and lakes.

The case in Marin County where the water was being poisoned by rotenone from plant spray, was discovered quite by accident. Bulldog Nine Drops Big Seven Loop Doubleheader to Sacramento Squad

San Mateo Bounces Back With 10-3 Win Over Menlo

San Mateo Junior College dropped another pair of Big Seven Conference games Monday when loop leading Sacramento Junior College swept a doubleheader at Sacramento.

The losses gave the Bulldogs a 1-5 conference record. The Matrons, however, jumped back the next day to cop a 10-3 verdict from Menlo to give them a more respectable 19-8 seasons record.

Don Olese hurled excellent ball in the opener allowing only five hits, but undermined his own cause by committing four of the Bulldogs' five errors. Two of errors came in the fifth frame to provide the Sactos with the margin of victory.

Ray Perasso led the impotent San Mateo batters at the plate with two singles in four trips.

Sacto Centerfielder Jack Steinagel, who was the hitting star with three for three, saved the game for the Capital Citymen when he pulled in John Matzek's drive that was labeled "extra-base" in the last inning. There was a runner on first at the time.

In the nightcap it was all Tony Stathos, who sent the Bulldogs down with two hits to rack up his sixth straight win. Only third sacker Jack Holmquist and pitcher Mal Leal were to pick up safeties.

The Bearcats, however, were busy adding eight hits to four Mateo miscues, to hand the Bulldogs a 6-0 lacing.

In an abbreviated practice game with Menlo, the Bulldog bats began to connect once again. They blasted out 12 hits to overpower the Oaks, 10-3, on Fitzgerald Field.

The contest was played in a continual drizzle from the third frame until the sixth when umpire Jack Diaz was forced to call the game.

The Bulldogs took command of the game with a six run outburst in the second inning and added four more in the sixth.

Molmquist and Leal paced the Bulldog attack with three safeties apiece. Don Kemp banged about two for two to aid in the rout.

John Alden went the distance against two Menlo hurlers, to gain the win. He was hit hard, but he scattered the blows well. Both teams played errorless ball.

Liquor Commission To Be Considered

APRIL 26. (CNS)—The State Board of Equalization, meeting in Los Angeles May 3, will consider a resolution calling for a constitutional amendment creating an alcoholic beverage commission which would administer the laws regulating manufacture and sale of liquor in California.

The resolution was presented to the board this week by board member William G. Bonelli, Los Angeles, but members voted to delay action until the next meeting.

The resolution cites that constitutional amendments proposing to separate the administration of liquor matters from tax administration functions of the board are pending, and that such a separation would be to the best interests of the public welfare.

It calls attention to the great growth of California with the result the time of the board is taken up mostly in dealing with liquor matters and that separation will improve the administration of both services—liquor control and tax matters.

The resolution further proposes that the commissioners be appointed by the governor and shall serve for six year terms, expiring at two-year intervals.

The resolution also recommends judicial review of all acts of the commission with removal of the excise tax provisions from the Alcoholic beverage control act, so that the tax provisions will come under control of the Board of Equalization with other tax matters.

Pack 63 Presents Skit On Television

A preview of its skit for the Scout-O-Rama program will be presented by Cub Pack 63 on the television show Rumpus Room, station KPIX Friday evening.

The skit will portray the driving of the golden spike that concluded the laying of the first continental railroad. Abraham Lincoln and the statesmen of that day will be there in full costume.

The pack's exact replica of the train will not be on hand for the preview because it is too large to get into the studio. The train, however, will be present for the Scout-O-Rama program.

Heading the cast for the skit are Jack Klassen as President Lincoln; Raymond Brandon, conductor of the train; Maurice Bradshaw, fireman; Donald Cubic, engineer; Stephen Hansen and Steven Lyon, statesmen; and Jim Freeman, section boss.

Although they will not take part in the television preview, the whole pack will be in the presentation of the skit at the Scout-O-Rama program. They will portray the working hands on the railroad.

Because half of the pack will be present the first night of the agenda and the other half the second night, parents are urged to attend the Friday April 27 meeting to make arrangements for the boys. The meeting will be held at 7:30 p.m. at 337 Bellevue Street.

San Mateo County Gets Coffee Plant

Plans for San Mateo County's first coffee roasting and packing plant were submitted to the county planning commission Friday.

The commission granted the Alto Coffee Company a use permit to construct the plant in a one-acre site in Bayshore City, west of the Bayshore Highway and north of Geneva Avenue.

It will be built near the Western Crown Cork and Seal Company.

The firm's only plant at Mission and Beale Streets in San Francisco will be discontinued when the Bayshore City building is constructed, according to M. H. Buckingham, vice president of the firm.

He said that the firm plans to erect a one-story building with 20,000 square feet of floor space.

The firm's San Francisco plant was inspected by Frank Skillman, secretary of the commission, who told officials that he had found no objections from nearby residents and businesses.

Events of national and international importance will take place there and will be of interest to people from all parts of the country. Four nations—France, Britain, Canada and the United States—will take part in the ceremonies.

Two huge International Folk Festivals will be presented July 23 and 25. They will feature the music, dance, costumes, and songs of the national groups that have migrated to Detroit during the 250 years of its existence. The Festivals also will show the cultural wealth the immigrants have brought to this country.

The sports program will be the largest ever presented in one American city. Among the events scheduled are the annual major league All-Star Game in Briggs Stadium, the USGA National Open Golf Tournament at Plum Hollow, the national finals of the American Legion Junior Baseball Tournament in Briggs Stadium, and the American Softball Association Championships.

The University of Detroit will present in the University Stadium a tremendous extravaganza enlisting more than 1,000 participants, July 13 to 23. Written by Father Daniel C. Lord, it is titled "City of Freedom" and will tell the story in song and dance of Detroit's contributions to world-wide freedom and security.

There will be a tremendous Cavalcade Parade telling the story of Detroit's development from a wilderness fort to a present day metropolis on July 28.

Jefferson Tangles With San Mateo In P.A.L. "Big One" On Local Diamond

Jeff's Cereghino Faces SM's Matlock On Mound Tomorrow

It will be do-or-die for Glenn South's Jefferson horsehiders tomorrow (April 27) when they play host to P.A.L. leaders San Mateo High.

The Indians have to win this one or they are just about out of the running for the loop title. Jeff trails the Bearcats by one and a half games. The matrons have a 5-0 record while the locals boast only of three wins, one tie and one loss.

South will toss his ace right hander, Ed Cereghino, against the league leaders. Cereghino, as well as Jeff, received his first loss of the season Tuesday against Sequoia.

Cereghino relieved Chuck Donley in the sixth frame, and although he allowed only one hit and one run, that run came in the bottom of the eighth and cost him the game.

It was Sequoia's first win over Jefferson since 1947. The light hitting Indians could gather only four hits off the Cerekees' Art Amaya. Sequoia pounded out 10 hits.

The busy Cereghino hurled and batted his team to a 5-1 win over Willow Glen at San Jose last Friday. He set the San Joseans down with six hits, while fanning 14 and walking none.

In bating out two for four, Cereghino accounted for all his team's runs. Besides scoring twice he batted in three runs with a bases loaded triple.

San Mateo prepped for tomorrow's tilt by coasting to a 9-3 win over Lincoln, Tuesday, and edging by South San Francisco, 2-1, last Friday. The Bear cat attack is spearheaded by Shortstop Billy Cox. He clouted a double and a triple in the Lincoln win.

The probable starting lineup:

Los Angeles reported four new cases as compared to two the week before when only seven from all California counties were reported.

Influenza is on the wane, according to the department, but 216 cases were registered in the state in the week ending April 7, as compared to 350 the week before.

Polio, usually heavier in the thickly populated area of Los Angeles, is now more common in northern counties where there were three cases in San Clara county, and one each in Stanislaus, Kings, and San Mateo counties.

...create a hundred-thousand jobs!

From the loam to the loom and beyond, California cotton is big business. It takes a hundred-thousand people to grow and process California's yearly crop, so it isn't surprising that it takes a lot of money, too.

If you were to ask 100 cotton men where this money comes from, you'd hear Bank of America mentioned more often than you'd think. For in cotton—and just about anything else—

Bank of America matches "know-how" with the money to make it produce. But lending money is only part of the bank's job—deposit services are important, too. Commercial checking accounts, Tenplan checking accounts, Life-Insured Savings, Thrift Club, Christmas Club and regular savings accounts—all serve the banking needs of Californians in more than 300 cities and towns.

VILLAGE NOTES

BROADMOOR, GARDEN VILLAGE, COLMA
by
Mrs. Mark Swoverland
Plaza 5-4158

Hi there, I will rush about and gather my notes together and let you in on the news of the village.

GARDEN VILLAGE

Congratulations to proud parents Mr. and Mrs. T. Henry on their new baby girl, Elizabeth Ann, born April 18, and weighing 7 lbs. 5 ounces.

Don't forget the Broadmoor Community Church Women Association's Silver Tea at the home of Mr. Faulkner, 103 Village Lane, April 27 from 2 to 5 p.m.

Mrs. and Mrs. Charles Hutchinson of Winnipeg, Manitoba, Canada, are arriving by car to visit Lieut. Cmdr. and Mrs. B. W. Davis of Garden Village.

Mrs. Lamont Thompson was a very surprised person last Friday when her mother and father, Mr. and Mrs. W. F. Shaler of Bellevue, Michigan, arrived for a two week visit. Her husband knew of the visit, but kept it secret.

Little Donna Luckhardt was six years old last Saturday, April 21, and celebrated with a party. Attending were Caroline and Freddie Hilger, Kathie and Ralph Johnson, Mary Beth Finchell, McGowan, Donnie Gillespie, Ruth and Beth Thompson.

Little Diane Rassmussen is home and recuperating from an eye operation.

Here tell Mrs. Dorothy Porter is a fashion model on television every afternoon.

BRADLEY

Mrs. Claude Hanrahan gave a neighborhood farewell party on April 18 for Mrs. James Pierce who is moving across the bay.

WILDWOOD

The neighborhood canasta party was held April 20 at the home of Mrs. Marion Polites. Attending were Mrs. Irene Parks, Mrs. Doris Menary, Mrs. Amparo Arejula, Mary Contreras, Fleta Lagoria, Sheila Mahoney, Betty Arthur and Betty Hart.

FOOTHILL

A "childrens" party was held at the home of Mr. and Mrs. Frank Dethlefsen. Attending in appropriate costume were Mabs and Vic Guiz, Darlene and Walt Brand, Maureen and Del Guymon, Ruth and Trev Jones and Jane and Andy.

Vivid Parisian Atmosphere Highlights "April in Paris" Luncheon Saturday

by Isabella Liberti

When the many guests who have reserved tables for the "April in Paris" luncheon arrive at Our Lady of Perpetual Help Hall, 80 Wellington Avenue, this Saturday, April 28th, they will be transported in fancy to that fabulous city. Paris is celebrating its 2000th birthday this year and has always symbolized culture, art, romance and glamour to us prosaic stay-at-homes whose acquaintance with gay Paris has stemmed mostly from our geography books, songs and the moving pictures.

The committee for the luncheon has worked very hard to create a truly Parisian atmosphere. Costumed waitresses, colorful decorations, strolling musicians will all add to the illusion.

French Menus

Through the courtesy of T.W.A. airlines, menus printed in France will be at each place and even though French may not be among one's linguistic achievements, good food has no language barrier. The luncheon committee has prepared a wonderful repast—served promptly at 1:00 they have warned sternly. T.W.A. airlines has flown from Paris tiny crystal bottles of exquisite French perfume and each lady will be given a gift of this perfume as a fragrant souvenir of the day.

After the luncheon, guests will be treated to a performance of authentic French-Hindu dances, followed by a French soloist and impersonator and the "Sweet Adeline" quartette. To wind up the afternoon, a lovely film showing France and Paris in particular, will be presented by Miss Barbara C. Farr who is the women's sales representative of the T.W.A. This film, which runs about twenty-seven minutes, is all in color.

MIDWAY

A plastic party was held at the home of Ruth Skoverski. Attending were Ruth Stewart, Mary Clayton, Helen Nielsen, Eileen Locke, Kay Mattson, Edna Hope, Helen Sager and Pat Mattson.

87th

Glad to hear that Mrs. Fies is feeling better after an attack from the flu-bug.

Welcome to newcomers Mr. and Mrs. Brown.

Friends of the Greg Herrons, former residents of Broadmoor, will be interested in seeing the children Michael and Lydia Ann on Captain Pete's program on television.

LOUVAIN

Speaking of television, two more of our younger set, Sandy Richardson and Judy Lynn Hess, were interviewed on the Del Courtney show last Friday. Whew—from here it looks like last Friday was a busy day for Broadmoor residents.

SWEETWOOD

At least Friday was a big day for the Douglas Vaughans who welcomed a new baby girl on that date. More details on the name and weight next week.

Here tell Virginia Gnesios has been ill with the measles.

LARCHMONT

Ah, its a boy—congratulations to Mr. and Mrs. Henry John Huber on baby James Conrad, born April 17 and weighing 7 lbs. 8 ounces.

HERE AND THERE

The pre-school survey of Broadmoor and Garden Village conducted by the James L. Snell PTA at the request of Mr. Snell—Results showed approximately 150 youngsters to start the kindergarten this fall.

Here tell the V.F.W. and auxiliary annual installation and dance held April 20 was enjoyed by all.

Parents of the Garden Village School children attending the May Day festival be sure to look up the refreshment stand booth of the James L. Snell PTA planned and served by mesdames Ray Logan, chairman, Hager MacEachern, Hagopian and Malone.

So long for now.

17th District CCPT Mrs. G. J. Sirex And Other Officers Installed At Thursday Ceremony

Guideposts for leadership key-noted the ceremony with which Mrs. B. D. Ralston of Woodside installed officers of Seventeenth District California Congress of Parents and Teachers on Thursday, April 19.

Ravenswood school in East Palo Alto was the scene of the full day's meeting.

Mrs. Ralston, third vice-president and extension director of the C.C.P.T., chose "Guideposts To Parent-Teacher Maturity" as her theme, and stressed, "The PTA objects and ideals, its policies and procedures are dedicated to further service for youth, and as leaders these fifteen officers require considerable cooperation from the more than 20,000 district members."

Pledged

Pledged to fulfill their duties in 1951-1952 are the Mesdames G. J. Sirex of San Carlos, president; H. P. Eder of Burlingame, first vice-president; J. B. Mills of San Bruno, organization director; Faun Tuska of Burlingame, extension; Erwin Schmidt of Daly City, public welfare; George Lee Camp of Burlingame, education; George Elliott of Pescadero, home service; and Warren Pingree of Menlo Park, health.

Instructed in their offices were the Mesdames Roy N. Cloud Jr. of Redwood City, recording secretary; C. W. Cadigan of San Carlos, corresponding; Edward Stykel of Burlingame, financial; C. N. Underwood of San Mateo, treasurer; Garret Bradley of San Mateo, historian; J. M. Foley of San Mateo, parliamentary; and Miss Natalie of Burlingame, auditor.

It was voted to donate one hundred dollars from student aid funds to the new home of the county Child Guidance Clinic in San Mateo, to earmark income from the Overstreet Colloquy for later parent education speakers, and to contribute twenty dollars for the countywide school traffic patrol review in Redwood City on May 4.

Mrs. Faun Tuska of Burlingame gave a summary of the annual historian's report compiled by the department directors.

Highspot of the morning session was the presentation of publicity record book awards to forty-seven PTA's from the county. Mrs. Frank Garelick of Millbrae, committee chairman, awarded certificates of achievement, honorable mentions, classified sixth and eighth grade and high school honors, and a special "E" for excellence. Seven units chartered this year were congratulated for entering books.

Brisbane earned the special award for complete publicity coverage in newspapers, school notices, radio, and California P-T magazines. First went to Lincoln-Burlingame, Belmont, and Capuchino High-San Bruno, and second places to Coolidge-Burlingame, Laurel-San Mateo, Ravenswood-East Palo Alto, Roosevelt-Burlingame, and San Mateo High.

Honorable mentions included Jefferson Union High-Daly City, Bayshore, San Carlos Central and Arundel, in San Mateo—Beresford, Lawrence, Shoreview, and Turnbull, El Crystal-San Bruno, Green Hills-Millbrae, and Woodrow Wilson-Daly City.

Mrs. Howard H. Dodge of Menlo Park presented to Herbert Hoover-Burlingame the highest award for sale of California P-T magazines, and Bayshore won for National magazines sales. Martin-South San Francisco was credited with highest sales percentage according to local membership.

Next general district meeting will be the annual "School of Information" for all incoming unit officers and chairmen, which is to be held on Thursday, May 17, at the Congregational Church in San Mateo. Morning business session will be followed by afternoon departmental conferences featuring program, membership, finances, hospitality, and publicity.

TEEN-AGE PARTY SLATED

Another Teen Age party for youngsters of members of Colma-Vista Grande No. 1848, Fraternal Order of Eagles, and the Ladies Auxiliary, will be held in the Eagles Hall at 3442 San Jose Avenue on Saturday night, April 28, from 7:30 to 9:30 p.m.

Every teen ager between the ages of 12 to 19 is cordially invited to attend the function, and each boy or girl is permitted to bring one outside guest. Admission to the party is by the presentation of the dues receipt of either parent member of the Aerie or the Auxiliary.

Committee members who supervise the affair are Messrs. Davison and Carrington with officers of the Aerie, and Mesdames Horn, Grubb, Esponosa, Blankenhorn, Warren and Owen of the Auxiliary.

Kathryn Hansen Joins Policeman's Family

Ex-marine, and Daly City police officer Dave Hansen was passing around cigars this week as he announced the birth of his second child... an 8 pound baby girl.

Kathryn was born at 7:30 a.m. April 22 at Mt. Zion hospital. She has taken up residence with her parents at 57 Garwood Drive.

Also on hand to greet Kathryn was 2-year-old Kristine.

School Board Jenkins Presents Election Platform

Tom Jenkins made public this week his stand as a candidate for the Board of Trustees, Jefferson Elementary School District. He stated:

"My platform, simply stated, is to do what is best for the welfare of our children, and of our community."

"The present Jefferson School District Administration is doing an excellent job; it is the function of the School Board to see that high standards continue to be met. In order to do so, the Board must examine closely each problem that faces it, and not be swayed by emotions or personalities."

"As an attorney, I feel that I have the background, training and experience that will enable me to critically analyze each situation, and come to an independent, logical conclusion in light of the facts."

"I am committed to no one; I will accept support from everyone, but make no promises other than to do my best."

Jenkins is continuing his interest in education which began before World War II service, when he received a degree in education after four years of teacher training. In this community, he was active in the School Bond Drive last fall as a member of the steering and program committees, and is now serving on the steering committee for the new high school.

In addition, Tom has participated in district activities as an officer of the James L. Snell PTA, and has kept abreast of community problems as attorney and president of the Broadmoor Property Owners' Association, and Judge Advocate of the Broadmoor Legion Post.

Pvt. Ovovitz Is Med Grad

Pvt. Bernard Ovovitz, son of Mr. and Mrs. Herman Ovovitz, 167 Moltke Street, will graduate from the Medical Replacement Training Center, Brooke Army Medical Center, Fort Sam Houston, Texas.

He has completed eight weeks of training in medical subjects and will now be assigned to advanced study in another Army school or to duty in a hospital or field medical unit.

The Medical Replacement Training Center is one of the Army's basic training schools for the medical service enlisted man. Here the soldier learns the fundamental support of patients in hospitals and troops in the field.

Lutheran Choir To Be Featured

At this Sunday's Divine Worship Service, the Lutheran Church of Our Savior's robed choir, under the direction of Mrs. R. Konzelman, will sing "Open Our Eyes" by Macfarlane. Mrs. Helmut H. Goltz is the organist.

On May 1, the Ladies Guild will have their monthly meeting at the church (Garfield & Junipero Serra Blvd.) at 8 p.m. Special guests for this evening are the ladies from Grace Lutheran (Parkside) and Good Shepherd Lutheran (Sunset) churches.

Mrs. John J. Mallick, president of Our Savior's Guild, will speak on "Mohamedism in the Near East." Mrs. Mallick is a native of Palestine and taught school there before coming to America. She now resides at 1245 Holloway.

Hostesses for this meeting are Mrs. R. Baker, Mrs. M. Hoaglund and Mrs. M. Morris. Mrs. Lyle Vesey of Daly City will lead in Devotions.

Sunday School & Bible Classes are held every Sunday morning at 9:45 and the Divine Worship hour follows at 11. Sunday Evening Bible hour is at 7:30.

The pastor, the Rev. Robert G. Konzelman, B.D., extends a cordial invitation to the residents of Daly City to visit The Lutheran Church of Our Savior at any of their services or any of their societies. He may be reached by phoning JU. 4-8501 or JU. 4-0293.

Colma-Vista Grande Secretary Tells Story Behind Eagles' Seal Campaign

In urging Colma-Vista Grande members of the Fraternal Order of Eagles to subscribe to the 1951 Seal Campaign of the Eagles Memorial Foundation, Tom Rae, local Secretary, has a very interesting story behind his plea for subscriptions. This is Tom's story as related to your reporter.

"When I tell folks I'm the father of 1,292 children they look at me as though I were daft."

"But it's true—1,292 kids who at some time or other need doctors, surgeons, or eye specialists, or dentists, kids who have the right to a good schooling."

"To come to the point fast, I'm the local Aerie chairman of the Memorial Foundation of the Fraternal Order of Eagles. There are about 1700 just like me across the country."

"But I'm getting ahead of my story."

"In World War II there were 152,757 Eagles in the armed services. 3,161 were killed. The Eagles began figuring on the best way to honor their memory. There was plenty of talk about statues or a big memorial building of some sort but a fellow named Matty Brown in Springfield, Ohio—he's the Administrative Director of the Eagles—came up with the real answer. He said, 'Let's have a living memorial that will actually help people who will need our help—something that will be a constant reminder of the sacrifices made by the men who fought for world freedom.' That's how the Eagles came to establish a trust fund of more than \$3,000,000, the earnings from which are spent for physical well-being and education of the sons and daughters of Eagles dying as a result of World War service. That's better than a lot of statues, isn't it?"

"When a child is enrolled in the Foundation, the mother takes the youngster to her family doctor, whom she herself chooses, for a medical examination. The child's eyes and teeth also are examined. All this is done once every year—just for protection. The Eagles, of course, pay the doctors' bills."

"As Memorial Foundation Chairman in this community, I get a monthly report of what happens to these kids all over the nation. They're a typical American group of lively youngsters—broken arms, black eyes and cut feet. And, of course, a lot more serious cases. Running over the figures since the Memorial Foundation was established in 1947, I see we've authorized funds for 321 eye examinations, 394 tonsil and adenoid removals, 1837 dental services and 1236 miscellaneous medical services. New glasses, many serious operations, x-rays—whatever it takes to keep the children in good physical shape, we provide."

"The first time we used our Memorial Foundation funds was for the benefit of a family in Athens, Ohio. The father had been captured in the Battle of the Bulge and was killed in a German transit camp in Luxembourg in 1944. Since his death, two of his three children have had operations and all have received annual medical and dental check-ups. The local Aerie keeps an eye out for them at Christmas and on their birthdays. Do you know what their mother wrote the Foundation? She wrote, 'I don't see how I could have managed without the Eagles. God bless them and God bless the Foundation.' That gave me a funny feeling."

"Now about scholarships. Most of the children are just kids now and go to the public schools but the figures show that nearly half of them are planning on an advanced education. That means that in 1962-63 about 500 of them will be thinking about going to college. And the Eagles are aiming to send 'em. We've got 13 Foundation students already in college. The letter they write back sure make us feel pretty darned good."

"Right now we're in the middle of our yearly Memorial seal campaign. Most of these seals are bought by our own members but there's no law against anybody stopping an Eagle on the street and telling him he'd like to help this campaign for the veterans' kids."

"And I remember, too, what happened at our 1947 convention when it was announced that anybody who wanted to chip in for the fund could come up to the platform. Well, it was practically a riot for 15 minutes. When they got through counting they found they had \$273,000 more for our Memorial children. And we needed it too, because some of our families have as many as six and seven children, and we know that in today's market the average mother has little chance to lay anything aside for emergencies."

"Somebody said 'he who builds well in the life of children builds a monument reaching to the sky.' Now you know why I like being an Eagle father of 1,292 children and will be pleased to accept contributions in any amount to be

School Children Compete In Making Poppy Posters

Under the sponsorship of the Daly City and Broadmoor units of the American Legion, school children are now busy making Poppy posters.

Grades four through 12 are competing for awards. The judging will be held May 4.

Old Glory Members Entertain Ward 11

Old Glory Auxiliary 2044 members Mary Conti, Catherine McKeown, Merideth Walker and Shirley Walker, accompanied by Joe Lewkowicz, Duke Yureck and Bert Merritt of the Colma-Vista Grande, entertained the patients in Ward 11 at the Veterans Hospital in Palo Alto Wednesday evening.

Joe played the bull fiddle, Duke the accordion and Bert the banjo for the dancing during the evening. Cigarettes were passed out to the patients. Also refreshments were served.

Old Glory Auxiliary assisted the members of Matalan Auxiliary 2068 of San Mateo to make the evening such an enjoyable one. These hospital parties are a must with the auxiliaries.

Also on Wednesday evening Shore View Memorial Post 1724 and its auxiliary of San Mateo had installation of officers. President Marjory Johnson, Ethel Dorn, and Bonnie Ellenwood of Old Glory were the installing officers. Eleanor Cochran, Marie Gehrig, Clara Poket, Catherine Henriquez, Catherine McKeown, Shirley Walker, Merideth Walker, and Mary Conti also attended.

Thursday evening Eleanor Cochran, Ethel Dorn, Marie Gehrig and Clara Poket attended the installation of officers of General Jacob H. Smith Post and auxiliary in San Francisco.

Friday and Saturday evenings the following members visited Lake Merced 9921; Jan Foran, Burlingame 2517 and Junipero Serra 7216 auxiliaries at their installations: President Marjorie Johnson, Ruth Brulez, Ethel Dorn, Ethel Harris, Eleanor Cochran, Marie Gehrig, Shirley Walker, Lorraine Schneider, Catherine McKeown, Catherine Henriquez, Elsie Ireton, and Bonnie Ellenwood.

OBITUARY

Mary Flageollet

Funeral Services for Mrs. Mary Flageollet, 79, will be held at W. C. Lasswell and Company at 1 p.m. Friday, April 27.

Mrs. Flageollet was the wife of the late Charles Flageollet; mother of Arvine, Eugene, Beverly, and Frances Chattman, Mrs. Louise Lyeve, Mrs. Mary McEntee, and Mrs. Millie Kuhlman.

Interment will be at Cypress Lawn Memorial Park.

George Nick

A resident of Daly City for over 40 years, George Nick, 76, died at the Community Hospital on April 24.

Nick was born in Macedonia. He was the brother of Chris Sola, uncle of Mrs. Helen Liberty, Peter, Gus, and Alec Sola, and Nicholas Nick.

Nick was past owner of the Philosophy Grocery Store on Hillcrest Drive.

Funeral Services will be held Saturday, April 28, at 12:30 p.m. from W. C. Lasswell and Company thence to Church of Annunciation, 245 Valencia Street, for the 1 o'clock mass.

Interment will be at the Greek Orthodox Memorial Cemetery.

Lutherans Hold Special Service

At Bethel Lutheran Church, Alemany Boulevard and Huron Avenue, the Festival of the Ascension of Christ into heaven will be observed with a special service next Thursday, May 3, at 8:00 p.m.

The return of Jesus to His Father in heaven has great significance for every Christian, as it demonstrates the supreme authority of Christ and the final triumph of His Kingdom. The Rev. Herbert P. Schroeder will preach on the subject: "On the Mount of the Ascension." Special music will be rendered by the choir under the direction of Mrs. Ruth Petersen.

The Rite of Confirmation also will be observed at this service. The following men and women who attended the Membership Class during the past months, will be received into the Lutheran Church: Messrs. Raymond Houbart and Rupert Wandel. Mesdames Marie Carmann, Barbara Parodi and Janet Schade.

The Sacrament of Holy Communion will be celebrated on May 6th, at which time the new members will partake of the Sacrament for the first time with the congregation.

Begin Folk, Square Dancing Classes

Folk and square dancing classes, sponsored by the Recreation Department, open tomorrow night (April 27) at Castle Hall, 7339 Mission Street.

The beginners' class begins at 7:30 p.m. and concludes at 9:15 p.m. The intermediate class is from 8:45 p.m. to 10:30 p.m. Square dancing classes will overlap each class.

Dancers are reminded to wear low and comfortable shoes at the classes, which are under the capable leadership of Muriele and Raymond Pabst.

The intermediate class will dance to familiar dances like Dreistreyer, Russian Peasant, Sicilian Tarantella, Blue Pacific and Skaters' Waltz.

Pastor of the Week Sermonette of the Week

Church of the Week

Rev. Roy Lee Milam

The Rev. Roy Lee Milam was born in the State of Oklahoma and reared in California, most of which time has been spent in the San Francisco bay region. Academic background started at the San Anselmo Elementary School; Tamalpais Union High School, Mill Valley, and the San Francisco State College, San Francisco. Specialized training in the fields of radio communication and maintenance operational engineering at the Pacific Radio School, San Francisco, enabled Rev. Milam to pass the Dept. of Commerce (now FCC) examination to operate any radio broadcasting or communication station in the United States. World War II found a critical need of radio communication men aboard troop ships, whereupon Rev. Milam attended the U. S. Navy Wartime Communication and Procedure School, graduating with a Certificate of Proficiency at this time. Theological training was taken at the Berkeley Baptist Divinity School, Berkeley, and California Baptist Theological Seminary, Los Angeles, graduating with a Th.B. degree in theology.

Pastor Milam comes to Daly City after 15 years evangelistic, missionary and pastoral experience. Much of this time has been spent as the associate pastor of the First Baptist Church, San Francisco and associate pastor of the First Baptist Church, Huntington Park, Calif.

Rev. Milam served almost 3 years in convoy duty during World War II, as a Chief Radio Officer aboard troop ships, in the New Guinea area, and while his communication work kept him busy at all times he nevertheless found time to conduct worship services for the troops, and act as ship's chaplain, if no other chaplain was aboard.

Rev. Milam is the founder of the church and will continue to act as its pastor, in this thriving community, where he hopes to stay.

SERMONETTE OF THE WEEK

By

Rev. Roy Lee Milam

Pastor

Westlake Community Baptist Church

TEXT: "And having found one pearl of great price, he went and sold all that he had, and bought it." Matthew 13:46.

Man's greatest misfortune is not that he sins and destroys both himself and others by his sins. Nor that he, on account of his sins, has incurred a debt that he cannot pay and that has separated him from God.

Nay, man's greatest misfortune is that he does not see his own need nor his own salvation. He does not see his Savior. He stumbles over the treasure every day and still does not see it.

Thus we begin to realize that salvation really consists in SEEING the treasure. Yes, THAT is the miracle, the miracle of salvation.

No miracle is more unfathomable to me than this, that God succeeds in opening our unseeing eyes so that we begin to look upon God and His salvation as a treasure, as a great good.

But when this miracle does take place, the same thing happens to us as happened to the merchant. We become willing to give up everything in order to keep the pearl of great price.

Notice the people who through a spiritual awakening catch a glimpse of the pearl. They do not haggle any longer for the purpose of clinging to SIN of one kind or another. Nay, the prayer and the cry of their soul is that no sin may hinder them from coming into possession of the pearl.

They no longer squirm away from making a FULL ACCOUNTING before God, which they feared before more than anything else. Now they would gladly turn their hearts inside out in order to be certain that there was no deceit anywhere.

They have only ONE sorrow: they cannot get possession of the pearl.

Now and then it seems that they have really found it. They become as happy as children. Then it slips out of their grasp again.

Has God hidden this treasure? No, He has revealed it in the person of His Son, the Lord Jesus Christ. He has revealed it as openly as it CAN be revealed.

But sin has drawn a veil over the eyes of men, and they do not see the treasure. "It is hidden from your eyes," Jesus said once to His own people. Indeed, He designated this as the great TRAGEDY of human life. Men cannot see the kingdom of God as a treasure, and therefore refuse to look upon eternal life, God and Christianity as a treasure, as something good?

And it certainly cannot be said that they do not understand the value of treasures. All they do is to search for treasure. It occurs to only a few of them, however, to search the Scriptures. Only a very few are willing to think for themselves, and to search out whether these things be the truth. Only a very few attend Church to find treasures. Only a few seek God in prayer.

Most people do not even think about Christianity. It lies entirely beyond their spiritual horizon.

A few still have some contact with Christianity through relatives and friends. But it never occurs to them to look upon it as something good; on the contrary, they consider it A NECESSARY EVIL.

They have an instinctive feeling that they too must some time become Christians if all is to be well. But they put it off as long as possible. They do not see the treasure.

O merciful God, almighty God, have compassion on the blind and willful erring, who willingly plod on to plunge over the brink of a lost eternity.

Westlake Community Baptist Church

On the evening of October 15, 1950, 54 interested people from Daly City, Colma and San Francisco, met in the home of Mr. and Mrs. Tom Small, 37 Cliffside Dr., Westlake, Daly City, under the leadership of Dr. Earle Smith, Exec. Secty., San Francisco Bay Cities Baptist Union, and Rev. Roy Lee Milam, (pastor of the Church) and organized the WESTLAKE COMMUNITY BAPTIST CHURCH. Out of the 54 present that evening 38 became charter members. Since then the church has attained 64 charter members, with a goal of 100 before May 29th, the final closing date for charter membership.

The first church service was held in the home of Mr. and Mrs. Small, 37 Cliffside Dr., with 22 present the first Sunday. Immediately the Church made arrangements for a larger place to meet, and finally secured the SERRA THEATRE for its Sunday morning services. Realizing that this was only a temporary arrangement they obtained something more permanent in the use of the CREST Theatre, 7252 Mission St., Daly City, to hold its Sunday morning services. This proved to be more than adequate, in that the theatre was centrally located for all Daly City and Colma residents, and additionally proved much needed equipment with which to hold services. Mr. and Mrs. Jacobson, owners and managers of the theatre, have been most cooperative and accommodating at all times to the church, and its Sunday services will continue to be held in this building until at such time its own church building is completed.

The Church is sponsored by the American Baptist Convention (Northern Baptist Convention) and affiliated with all its activities as a 100% cooperating church.

The illustration above is an artists conception of the proposed new church building.

Pvt. A. J. Seiler Learns Cooking

Private Allen J. Seiler, the son of Mr. and Mrs. August Seiler, 331 San Diego Ave., is undergoing on-the-job training as an apprentice cook at George Air Force Base, California, near Victorville.

Pvt. Seiler is assigned to the 1st Food Service Squadron, 1st Fighter-Interceptor Wing.

He enlisted in the Air Force December 27, 1950, at San Francisco. He was then transferred to Lackland AFB, Texas, for indoctrination, and took his basic training at Sheppard AFB, Texas, before being transferred to George AFB recently.

Building Boom Second To None In The Nation

APRIL 26. (CNS)—That California is in the middle of a building boom, second to none in the nation, is indicated in a report by the Contractors State License Board which reveals that of the 60,050 contractors licensed in the state, more than half are in the general building trades and allied

Pvt. Seiler attended school in Daly City. While in school he was active in sports.

industries.

The board states there are 24,244 general building contractors licensed, and 8,359 engaged in painting, decorating and paper-hanging. There are 4,435 plumbers, 4,193 electrical contractors, and 2,181 in the plastering business.

Added to these are 1,950 general engineering contractors, 1,514 in cement and concrete construction, 1,068 in masonry, 381 in lathing, 860 in wood flooring, 1,288 in roofing, 1,041 installing ceramic and mosaic tile 562 in warm air heating, ventilating and air conditioning, and 286 in glazing.

There are 524 well drilling contractors, and 2,166 in the classified specialists division which includes a host of specialized subjects.

Operators engaged in structural pest control number 166, and 487 are engaged in landscaping. Thirty-four contractors are engaged in elevator installation and 180

Pensioners Given Fishing Break

APRIL 26. (CNS)—Pensioners would be entitled to \$3 fishing licenses for 50 cents under a bill passed by the Assembly today.

The measure, sponsored by Assemblyman Frank Luckel, San Diego, provides that if a man or woman is receiving aid under the Welfare and Institutions Code, they are eligible for the lower li-

others putting up electric signs.

The second smallest group is formed by the 54 contractors engaged in fire protection engineering.

Assemblyman Donald L. Grunsky support the bill after some opposition developed, a few assemblymen charging the measure was just one more step to deplete fish and game funds, and that those in California receiving aid are getting the highest pensions paid by any state in the nation.

BAD DRIVING HABITS

Motorists who fret and fume over the "other fellow's" driving habits should stop and think about their own, advises the National Automobile Club. Poor signaling, line straddling, darting in and out of traffic, and being too inattentive while at the wheel are but a few of the bad driving habits on the road today. Are you guilty of one of these faults? Think it over.

Family M.D. Key To Cancer Control

"Every doctor's office a cancer detection center" expresses a vital part of the program of the American Cancer Society. Half of all those who develop cancer could and should be saved by early diagnosis and prompt treatment. In diagnosis the family doctor plays the key role.

Surveys indicate that physicians are developing an increasingly higher "index of suspicion of cancer." More cancers are being diagnosed today in an early and curable stage than ever before.

Physicians serving as volunteers play an important part in the American Cancer Society. ACS programs of service and education are developed with the cooperation of state and county medical societies.

A successful 1951 Cancer Crusade will enable the American Cancer Society to continue providing the medical profession with new and vital information on cancer control.

Your dollars help guard your family. Strike back! Give to conquer cancer.

Cancer Patients Need Special Aid

Of the several hundred thousand Americans treated for cancer each year, about one-fourth need some special assistance in readjusting after their illness.

Nurses, social workers, teachers, occupational therapists, psychologists—all have a part to play. In many cases the best workers are men and women who themselves have been cured of cancer and so understand the problems.

Particularly effective have been classes for teaching men and women to speak again after they have lost their larynx or voice box. Breath for the new words comes from the stomach and is controlled by muscles which were not used before the operation.

By supporting the 1951 Cancer Crusade of the American Cancer Society you help bring improved services to the cancer patient. Your dollars help guard your family. Strike back! Give to conquer cancer.

Public Relations Officer Named

Geo. H. Atkinson, President of Community Chest of San Mateo County, announced today the appointment of Ray K. Ingram as Assistant Chest Executive to direct Public Relations, Employee Solicitation including Campaign Promotion, effective immediately.

Mr. Ingram comes from Oakland where he has served for the past three years as executive secretary of the American Legion Service Department, a Community Chest Agency. During the time he served as an agency executive in Oakland, Ingram served as staff aide to the Public Employee Division in the annual Chest campaigns and has been closely associated with Community Chest activities for many years.

Prior to becoming a Community Chest agency executive in Oakland, Mr. Ingram was associated with the Omaha Chamber of Commerce as membership and financial secretary for four years and previous to that was sales manager and director of public relations for the Western Union Telegraph Company in Omaha.

"Horseless Carriage" To Get Special License

APRIL 26. (CNS)—The "horseless carriage" may yet have its day in California.

A bill by Senator John P. Thompson, of San Jose, provides for the issuance of special license plates for motor vehicles over 35 years of age.

The measure, Thompson said today, will not be opposed by the Department of Motor Vehicles, which can issue the special plates provided the owners of the ancient automobiles pay not only the regular state license fee, but the cost of making the plates as well.

Thompson has devised a plate which has "Horseless Carriage" on

it, and which would grace the old-time show pieces, instead of the regular state license plate.

Approximately 500 "horseless carriages," Thompson said, in California would be eligible to have the plates.

"The charge would be negligible," he stated, "because those who indulge in this hobby frequently spend two or three thousand dollars fixing them up so they will run." Thompson said he and some of the proponents of the bill had conferred with A. H. "Gus" Henderson, Director of Motor Vehicles, who said he would not oppose the measure.

"I was first approached on the bill," Thompson stated, "by Joe

Murphy, of San Jose, the former 'Andy Gump' of the movies. He has a 1907 Oldsmobile."

Bayshore, Brisbane Road Intersection Stays As Is

APRIL 26. (CNS) — Construction of a separation structure at the intersection of Bayshore Highway and the local road to Brisbane is not justified at this time, the State Highway Commission announced this week.

The commission said that the Bayshore Highway carries 2,600 vehicles per hour, southbound through the intersection during the evening week-day peak.

When the highway is widened to six lanes, the commission said, the capacity will be increased to

3,800 vehicles, with traffic actuated signal control.

The commission said the accident record at the crossing is not bad. In 1950, there were no pedestrian accidents, and one in 1949.

A total of \$420,000 has been allocated for six-laning the highway, but the expenditure of an additional \$150,000 for a separation structure would not be justified.

The commission said it is proposed to widen the Bayshore Highway to six lanes between Third Street in San Francisco and the north city limits of South San Francisco.

You and Your Beauty

By MARIE COSTA

This week, I'd like to tell you something about a famous new wave... something truly different and wonderful...

ESKA-PROTEIN WAVE

It seems that men of science have a way of taking up where poets quit. Poets set their dreams on paper; scientists make them come true.

Take the case of the curly haired beauty the bards sing about. Science now gives the hair a dose of protein along with the curl and thereby accomplishes practically the impossible. For years now, men in white have been taking the crowning glory of female beauty, and using their test-tubes and microscopes on it.

RESULTS: A NEW permanent wave-Eska-Protein, which costs \$15 downtown and only \$10 at The Beauty Cottage-the only wave that can be given with complete confidence to any kind of hair in any condition.

Now that is a pretty broad statement to make. Until this wave with the protein there were plenty of heads of bleached and dyed hair that an operator would flatly refuse to give a permanent (and with very good reason).

Three years this was worked on. It infuses an active protein into each strand of hair as the wave is being applied, to maintain the healthy protein balance (essential to the structure of normal, good-looking hair).

THE PASSION for putting crests and valleys into hair, regardless of what nature intended, has been going on for seventy-five years. It was in 1873 that French hairdresser Marcel bounced up with the idea that literally would curl your hair. At the turn of the century (1902) the permanent wave machine was invented with heat, intense localized heat, its burning heart and soul.

By 1930 the permanent wave

(ADVERTISEMENT)

was as much a part of life as the automobile. In 1940 the cold wave came.

Now the protein wave! The third change in seventy-five years.

EVEN THOUGH women complained that permanents make the hair brittle and sort of lifeless, they had 'em just the same. Chemists put on the research found that part of the protein in the hair (hair is basically protein) was denatured by waving.

Thousands of tests later they came up with a solution that INCREASES the protein content 14 per cent when it is used in waving. Also increases the elasticity 12 per cent. And increases the body of the hair more than 3 per cent.

The ESKA wave has just come to The Beauty Cottage, 1491 Ocean Avenue-the wonder wave that can safely be given to ANY head of hair no matter WHAT its condition or its color. Baby fine hair, bleached, dyed, white, any kind, can now have a permanent that is not only beautiful but good for the hair. Call JU. 7-5738.

AND REMEMBER we are celebrating throughout this area for our famous Chignon Cut at only \$1.50 and up. Expert beauticians not only cut your hair, but at the same time style it for your particular features.

Speaking of styling, let us set your hair to your individual facial contours. For as little as \$2.75 you can have your hair cut and styled with the individuality of your own character.

The small fry of the family will be interested in our children's hair styling. This is our speciality, and it is done with skill and speed so as not to make your child fuss and fume.

Drop into The Beauty Cottage today. It is only a few blocks from your home at 1491 Ocean Avenue.

Net Fishing Ban To Aid Sportsmen

APRIL 26. (CNS)-Passage of Senate Bill 868, which closes some of the lower parts of the Sacramento and San Joaquin rivers to commercial fishing, by the Assembly this week puts the measure before Governor Earl Warren for his signature.

The measure, sponsored by Senator Verne Hoffman, San Joaquin, and Paul L. Byrne, of Chico, passed the Assembly 53 to 18.

In the recorded vote, Assemblyman Dolwig, representing San Mateo county, voted Aye on the measure.

The bill was hotly contested by commercial fishermen, who contended that closing the lower waters of the two rivers to commercial net fishing would seriously injure their business.

On the other hand, sport fishermen contended that closing the waters to hook and line only would permit many thousands of persons who fish for sport to enjoy better fishing in the lower waters of the two rivers.

The measure is somewhat similar to a constitutional amendment which was defeated by the people at the last general election, but sport fishermen contended the objection features had been written out of the bill.

FAIR MATCH!

Blonde Sally Forrest, lovely RKO movie star, is a fair match for any tennis champion. The attractive young star wears a trim tennis costume of white cotton with tiny sleeves, shirtwaist collar, and brief skirt. Glamorous Sally was caught by the cameraman during a day of relaxation after her latest picture, "Hard, Fast, and Beautiful."

Elementary School Art Teachers Meet

Art teachers from Elementary School Districts all over the county convened at the Red Cross Chapter House, Burlingame, recently to discuss the International School Art Program. Mrs. Lionel Clumeck, Junior Red Cross Chairman, San Mateo County Chapter, presided, assisted by Miss Ann C. Walsh, Secretary for the Department.

The meeting was arranged the cooperation of Miss Gail O'Grady, General Supervisor, San Mateo County Schools.

The program, sponsored jointly by American Junior Red Cross and the National Art Education Association, enables American youth to send drawings and paintings describing their lives and interests to youth of other lands. Children in a number of countries are sending in return art work depicting their own lives and interests.

Objects of the program is twofold; first, to arouse in the young people of the world a friendly and direct understanding of one another, and second, to encourage students to see the possibilities of

their own lives and experiences as a basis for self-expression throughout. Miss Mary Lou Waller, Director, Junior Red Cross, San Francisco Chapter, displayed a number of paintings done by students in various schools, as a visual example of what is being accomplished.

Colored slides were shown of pictures received from students in several foreign countries, and of art work from schools all over the United States. Each picture carries a descriptive legend and the pupil's name, age and school. Art teachers present at the meeting enthusiastically agreed to start such a program here, this semester.

Local exhibits of the work are planned for Redwood City and San Mateo early in June. "We hope to have the program so well organized by fall," Miss O'Grady

said, "we will have many paintings to contribute to next year's quota for overseas."

Others present at the meeting were: Mrs. Ethel D. Huxtable, Art Director, Burlingame Elementary Schools, Mrs. Patricia Handford, Asst. Art Director, San Mateo Elementary Schools, Miss Dorothy Fitzgerald, Bayshore, Miss Lois J. Barry, Burlingame, Mrs. Connie Chamberlain, Mrs. Edna M. Lyon, Belmont, Joan Emmerland, Burlingame, Mrs. Apha Corson, Miss Maxine Mayland, Millbrae, Mrs. Elizabeth Marquis, Mrs. Carl M. Ertresvaag, Mrs. Ora W. Rogers, San Mateo, Mrs. Lavina Gilfillan, Sharp Park, Mrs. Thelma Brady, San Carlos, Mrs. Laura C. Hicks, Mrs. V. O. Willhide, East Palo Alto, Mr. Karl H. Baner, Redwood City, and Mr. Francis Taylor, Executive Secretary of the Chapter.

Samish Denied Lobbying Ticket By Legislature

APRIL 26. (CNS)—The State Senate Committee on Legislative Representation last week denied Arthur H. Samish lobbying credentials, along with ten other representatives.

The committee, headed by Senator F. Presley Abshire, Sonoma county, said the order was the "first denial of certificates by the committee upon the ground it could not make a determination in favor of particular lobbyists."

Along with Samish, George McLain, pension promoter of Los Angeles, and eight of his employees, were denied credentials.

The eight were Frank E. Gardner, John C. Henderson, Eleanor V. Jackson, Mrs. Roberta Johnson, Mrs. Ethel Knope, Roy M. Miller and Elizabeth Murphy.

The other two lobbyists denied credentials were Boren E. Benton, representing an initiative and referendum bureau, and William H. Mattox, of Sacramento, president of the "Landlords of America." Mattox has been active for years in promoting legislation affecting rent controls.

Abshire emphasized the action is subject to the right of any applicant to request a hearing under the committee's rules. When such an application is made, he said an opportunity would be provided any applicant to produce evidence that he is entitled to be certified as a legislative representative.

"Today's order," said Abshire, "simply means the committee is

TIP ON NEW CAR PURCHASE

Even before a buyer goes forth in search of a new car, he should make up his mind regarding the body style that most nearly fits his needs, advises the National Automobile Club. With so many types available today, this is more difficult, but the careful buyer will have made a thorough study of his needs and determined which type meets them adequately before he starts his shopping trip. A mistake in this case is too expensive. A little thought will prevent errors.

unable on the basis of the information presently before it, to make a favorable determination with respect to the individuals named."

LITTLE LADY

This bright-eyed young miss is a real little lady in her cotton sundress just like mother's. Her sophisticated cape bolero is of solid navy pique, while the ruffled sundress is blue and white pique. The mother-daughter dresses were designed by Trade of California. Sundress-bolero combinations are expected to be among the most popular summer fashions, National Cotton Council fashionists report.

Bathing "Twins"

AS PLAIDS sky-rocket to popularity in beachwear fashions, these matching mother-and-daughter suits, by Cole of California, take their bows in the sun. Using Bates Tartan plaid cotton in an unusual color combination of navy, orange and yellow, Mr. Cole shows his flair for figure flattery, by pointing up the dressmaker-style suits with gay little ruffles on the bodice and panties. \$17,500,913 Paid In County Taxes

APRIL 26. (CNS)—Local taxes levied on tangible property in the state totaled \$785,184,745 during the 1950-51 fiscal year, with \$17,500,913 collected in San Mateo county on an assessed valuation of \$231,855,817, the State Board of Equalization announced this week.

The average rate in the county, per \$100, was \$7.55, while that for the state as a whole was \$5.74, as compared to \$5.37 the preceding year, the board said.

Total tax collections represent an increase of 10.1 per cent over the preceding year with but a three per cent rise in assessed valuation.

Levies for school purposes totaled \$312,509,363, an increase of 6.9 per cent.

In 40 counties the overall tax rate was below the state average of \$5.74 per \$100, but the combined levies in these districts formed but one-quarter of the state aggregate.

Navy Women For Waves

The Navy urgently needs young women for the Navy Wave Corps. Due to the expanding of the Navy, many more young women can now be accepted for enlistment in the Waves, it was announced today by the Navy Recruiting Station, Post Office Bldg., San Mateo.

The general qualifications for enlistment in the Waves are:

1. Between the age of 20 and 26 years.

2. Unmarried, and no dependents.

3. Native born or fully naturalized citizen.

4. High school graduate, or pass the General Educational Development Test.

5. Able to establish mental, moral and physical fitness for the Naval Service.

Young women desiring further information are requested to call Diamond 4-2781 or visit the Navy Recruiting Station, located in the Post Office Bldg., San Mateo.

PG&E Pays County \$943,475 In Taxes

San Mateo County property tax payments for the 1950-51 tax year completed today by Pacific Gas and Electric Company total \$943,475, Grover S. Tracy, manager of the company's San Francisco Division, announced.

The company, by far the largest single property taxpayer in California, made property tax payments for the year totaling \$25,746,353 to cities, counties, school districts and special districts in 48 counties in which it owns property. Federal and state income taxes and other federal, state and local taxes amounting to \$29,938,715 brought the company's total bill for the tax year to \$54,703,068.

"PG&E paid 41.06 per cent of its total property taxes, or \$10,578,478, directly for the support of public schools," Tracy said.

"Taxes for county purposes totaled \$12,077,695 and payments to city governments amounted to \$2,016,055. Taxes levied by various districts totaled \$1,092,175.

"The significance of these figures is that a business-managed utility company produces taxes instead of consuming them," Tracy stated. "The schools, county and city governments and the districts would have to obtain this money by heavier taxes on others if our business were government-owned and tax-exempt."

PG&E's property taxes in San Mateo County include \$260,474 for county government, \$462,591 in support of public schools, \$86,137 in other district taxes and \$134,273 paid to cities.

Ad valorem taxes the company paid to Daly City on its properties within the city amounted to \$5,394.

New Town And Country Center Doors To Be Open Seven Days A Week

Just in case you missed last week's announcement, this is a reminder that Westlake's new super market opened for business Tuesday.

The grand opening is slated for today, April 26, and thru Sunday.

Covering some 25,000 square feet of floor space, the spacious modern Town & Country Food Center offers the housewife a complete selection of fish, meat, poultry, groceries, vegetables,

fruits, wines and liquors as well as a vast variety of other items.

Open seven days a week, including Sunday, hours for the store are: 9 a.m. to 9 p.m.

Gambles Western Auto Supply Co. Store Holds Grand Opening with Many Specials

Gambles Western Auto Supply Company, 2394-98 Junipero Serra Boulevard, for the next nine days will hold a special grand opening sale.

This sale is one you can't afford to miss. Thousands of items will be sold at prices that can't be matched anywhere.

Shop in comfort in the new-style building. Also, at the new store you can fill practically all of your family's needs at extra savings.

The store will be open seven days a week, including Sunday, from 9 a.m. to 9 p.m.

Experienced Staff To Serve You At Western Auto

Almost 75 years of experience in retail and wholesale sales is behind the staff of the new Gambles Western Auto Supply Company at 2394-98 Junipero Serra Boulevard.

Managing the store is Ralph Ahlstrom who comes here from a similar job in Minneapolis. Having spent over 20 years with the Western Auto Supply Company, Ahlstrom is in a position to offer customers invaluable experience in sales.

During our nine day opening we will have some unheard of specials on everything from beds to baseball bats," Ahlstrom said today. "I defy anyone to find lower prices on this quality merchandise anywhere."

"And remember that Western Auto Supply Company is consistent in offering the best for less. I am sure that who ever shops in our store will be satisfied both with the price and the durability and quality of the items he or she purchases."

One of Many "Our store is one of 2300 other stores throughout the nation. It stands to reason that we would not have prospered all these years, if we did not satisfy."

"Once more, our motto is 'Satisfaction or your money back.' We stand behind that guarantee on any item."

Heading the fine furniture section is a veteran of furniture sales, Tom Silver. Silver has literally grown up in the business, having taken over where his father left off in a San Francisco furniture store. A member of the Western Auto Supply Company for many years, Silver can offer the prospective buyer advice on any furniture purchase.

Many Prizes Given Away During Opening

Opening with a "bang" today, April 26, is the new Gambles Western Auto Supply Company store at 2394-98 Junipero Serra Boulevard.

In addition to offering hundreds of special items at unheard of low prices, a regular opening program has been scheduled.

The first 1,000 ladies in the store will receive baby orchids, flown here especially for the opening from Hawaii.

For the men there are streamlined, special key chains. And for the younger set there are a variety of items, including thousands of free balloons.

But that is not all. During the three day opening each and every person who visits the store will be given a free coupon. The coupon stubs, in turn, will be drawn Saturday evening, April 28, at 8:30 p.m. Here are the prizes that some lucky "gall" or "guy" will win.

A pair of chrome fog lights, valued at \$8.95.

A presto steam iron valued at \$18.75.

A deluxe tricycle, with 16 inch wheels, valued at \$18.75.

A seven-way floor lamp, valued at \$17.95.

What is more, you need not be present to win.

Don't miss the grand opening of the new Gambles Western Auto Supply Company Store. If you don't win the prizes, you can't help but win on the prices.

ture section," Silver said today. "We can offer you anything from the very modern to period furniture at extremely reasonable prices."

In the sports department is Lawrence Clark, another veteran with the store.

"The sportsman is bound to be pleased with our wide variety of items. And I hope that I may assist sportsmen with some advice on what to purchase for particular needs," Clark said.

Noting that the trout season opens April 28, Clark invited all fishermen to come in and examine the fine line of fishing supplies.

Most Interest

Possibly the section of most interest in the store is the complete auto and supply department under the capable management of Richard Del Fran. Here, the buyer will find a complete engine or a small bolt.

FIREWORKS OF SEVERAL TYPES TO EXPLODE WITH STORE OPENING

Fireworks both literally and figuratively will be going off at the new Westlake super market today, April 26.

The July 4th type of display will be an extravaganza in front of the market at 9 p.m. this evening. The public is invited.

But even more important to the housewife are the "fireworks" within the market. The Town & Country Food Center is offering prices never before heard of in this area. And when those prices are many cents below the average price in this vicinity, brother, that's fireworks.

Lower Prices

During the three day opening celebration, the housewife will be able to purchase everything she needs at what might be termed almost pre-war prices.

However, this isn't just a temporary measure.

Manager Vincent J. Nevoio said today:

"Aside from the special three day opening prices, and our usual week-end specials, we are selling every item at the lowest price possible."

"Each day of the week the buyer will find that by shopping in our Town & Country Center his or her food dollar will buy more."

"It has always been my policy, as well as the policy of the various department heads, to offer the finest products and the lowest prices."

Comparison

"Comparison will prove that our prices are the lowest and the best in the greater San Francisco Bay Area."

Meanwhile, during the three day opening various free prizes of merchandise will be given away to lucky shoppers.

Don't miss dropping into the super market during the next three days.

Experienced Staff To Serve You At Westlake's New Super Market

Heading the general staff of the new Westlake Town and Country Center is Vincent J. Nevoio, well known Bay Area business man.

A native of San Francisco, Nevoio has been in the retail and wholesale market business all of his life. He has drawn from his wide experience to offer local shoppers the best possible shopping facilities in the new super market.

"As I am acquainted both with retail and wholesale selling, I can assure my customers that they will get the best break possible both in prices and quality."

A family man, himself, (Nevoio has two children, Gary, 6, and Diane, 3), the congenial manager of the new store realizes what it means to have to stretch the family dollar.

Satisfied Customers

He has consistently done his best to make the customer satisfied at his well known Manor Market at 2550 Ocean Avenue.

Also familiar to customers of the Manor Market are Bob and Joe Pierotti who bring 24 years of combined experience to the streamlined fish and poultry section of the market. Both men are natives of San Francisco, and familiar with the problems of local buyers.

"We have the finest fish and poultry section in any part of the greater Daly City area," Bob Pierotti noted today. "We are in a position to offer just about anything that flies or swims at reasonable prices."

Meat Dept.

Heading up the large meat department is a local lad, Leo Massaglia. A native of Colma, Massaglia already has many friends in this area. He has had over 15 years of experience, and he comes to Westlake from the Balboa Super Market where his partner, Richard (Bud) Fewer continues to sell only the best cuts at reasonable prices.

"I think anyone who sees our meat department will agree that there is none finer. As the rest of the store, we offer only the finest, and I am sure the prices will meet with the approval of everyone," Massaglia said.

Produce

Frank Del Grande who is in charge of the produce section is rightfully proud of the rows and rows of neatly displayed vegetables and fruits.

"It almost hurts me to see anyone buy something," Del Grande said today. "The section looks so, so beautiful that it upsets me to see it disturbed."

From the looks of things opening day, Del Grande is going to be mightily disturbed. Buyers have been quick to take advantage of the garden fresh produce.

A veteran, and father of 9-year-old Richard, Del Grande brings many years of experience to the store. He has made many friends over the past years as the head of the produce department at the Balboa Super Market.

Liquor Dept.

And last, but certainly not least, is the wine and liquor section under the capable management of Louis Chiappari. This department will appeal more to the man of the house, but on opening day the men seem to have been outnumbered by scores of women eager to purchase the fine table wines.

"We handle all the national brands of liquors and wines, as

well as many imported items," Chiappari declared. "I hope everyone will feel free to ask my advice, for what it is worth, on such things as the best wine to serve for various types of dinners."

Experience Plus

With many years of experience in this business, it is no secret that Chiappari's advice will be worth much.

In addition to the department

COMPLETING THE JOB

The good mechanic does not rest content with having tightened the nuts with the car jacked up after having changed a wheel, points out the National Automobile Club. With the jack removed, he goes

around once more and usually manages to take at least a fractional turn on every nut before re-attaching the hub cap. It is a trick that you might bear in mind the next time it falls to your lot to do this job.

SELF-REGULATION OF THE MOVIE INDUSTRY by Ridge Cummings

It used to be called the Hayes office when I was a youngster and I didn't know from nothing what went on there except that it had something mysterious to do with the movies.

Now it's called the Johnston office even though Eric Johnston is on leave to Washington as a wage stabilizer.

When I began my assault on the dream factories I never thought I'd come in contact with this sacrosanct organization. But after applying for a studio pass I learned I'd have to be cleared there.

Full name of the outfit is "The Association of Motion Picture Producers, Inc." Address is Beverly and La Cienega Boulevards.

Upstairs
With my genius for doing things backwards, I got out to the corner in question and saw nothing but a huge drug store. I walked down La Cienega to the first door that didn't lead into the store and found myself in a hospital.

The girl admitting sick and injured had never heard of the Producers Association but a doctor walked past as we were talking and said it was right upstairs. I could enter either by Beverly Boulevard or by a back door from the hospital. I choose the latter.

The offices were huge and more on the hygienic than the plush side. Probably the medical influence.

Turn About
Soon I found myself being interviewed by a charming lady, with the outcome about passes still in doubt. When she finished interviewing me I interviewed her, with the result that I am able to make a timely report on the motion picture production code.

This code determines to a considerable extent what kind of movies 85 million people see each week in the U. S. That is the estimated "consumer audience" for motion pictures. In addition during normal times an estimated 150 million people elsewhere in the world watch American movies each week, according to the association.

There are three general principles underlying the production code and I quote:

"1. No picture shall be produced which will lower the moral standards of those who see it. Hence the sympathy of the audience shall never be thrown to the side of crime, wrong-doing, evil or sin.

"2. Correct standards of life, subject only to the requirements of drama and entertainment, shall be presented.

"3. Law, natural or human, shall not be ridiculed, nor shall sympathy be created for its violation."

Definitions
Few people will quarrel with these general principles. It is in specific applications that the arguments develop. What are correct standards of life? What is

natural law?

Writers, directors and individual producers may have one idea while Eric Johnston may cherish another.

To guide the studios, a booklet has been prepared listing various particular applications of the code. They are mostly on the negative side. Here are some specific injunctions pulled out at random.

Excessive and lustful kissing is forbidden.
Seduction or rape should never be more than suggested, and then only when essential to the plot. They must never be shown by explicit method.

Turn The Cheek
Revenge in modern times shall not be justified. (That's a pro- other touchy subjects are dis-

vocative little sentence. I don't recall many movie heroes turning the other cheek.)

Brutal killings are not to be presented in detail.
Use of the flag shall be consistently respectful.

Undressing scenes should be avoided, and never used save where essential to the plot.

Ministers of religion in their characters as ministers of religion should not be used as comic characters or as villains.

Dances suggesting or representing sexual actions or indecent passion or forbidden.

Profanity, vulgar expressions, suicide, surgical operations, cruelty to children or animals; third degree methods and a number of cussed in some detail in the code.

De Cheers

One of the things I learned with some surprise by reading the booklet is that use of the Bronx cheer or razzberry is on the not approved list. I am no devotee to these undignified sounds but their specific mention indicates the care with which the code has been worked out.

Spokesmen for the producers association emphasize that their work is conducted on a voluntary basis.

Although a lot of people around Hollywood criticize the Johnston office, on the whole I'm in favor of it. It seems to be a form of industrial democracy at work and is certainly better than government censorship.

Art Free

In order to flourish, art must have freedom. Motion pictures are an important art form. There

seems to be a greater chance for the development of initiative and enterprise with the industry regulating itself than there would be

with outside control and bureaucratic agents looking over the shoulders of the people who make the films.
